SCHOOL

As schools in Redhill and Reigate, we are collectively writing to all parents and carers at our schools to give you information about a joint initiative that we will all be undertaking with Surrey Police.

You may have heard of the term 'county lines'. A crime where gangs and organised crime networks exploit children to sell drugs. Often these children are made to travel across counties and use dedicated mobile phone lines to supply drugs.

During next term, each of our schools will be visited by a dog handler with a passive drugs dog. They will patrol outside the school gates not with the aim of catching or arresting children, but to send a clear message to potential gangs looking to recruit children. They will also be available to offer support and guidance to those children who the dog indicates may have been in the presence of drugs.

The objective of these patrols is diversionary rather than looking to criminalise children and this will be supported by amnesty bins prior to police patrols. Should the drugs dog indicate that your child has been in the presence of drugs, you will be sent a letter home outlining why drugs may have been identified on your child and receive information about further sources of support.

As a group of schools in the borough, we endorse this proactive approach to help tackle a growing drug problem in the area.

Should you require any further information about this, or if you have any concerns regarding your child, please contact Mr Alexander using the email address [info@reigate-school.surrey.sch.uk](mailto:info@reigate-school.surrey.sch.uk).

### INSIGHT FOR YEARS 7 TO 10.

We have recently launched INSIGHT, a new electronic tool for our current Years 7 to 10. INSIGHT is designed to provide you with a greater level of access to the data we hold on your child and will enable you to see live updates on how your child is getting on at school. The system will also be used for downloading end of term reports and next year will be used for booking Parents' Evening appointments.

You should have received an email providing you with login details for INSIGHT. We can only send your login details if you have returned your contact forms with an e-mail address. If you have returned your forms but not received an email please check your junk mail folder in your email account. If you are still unable to find the email then please contact us via email at [info@reigate-school.surrey.sch.uk](mailto:info@reigate-school.surrey.sch.uk) or telephone 01737 243166.

If you have your login details, but are experiencing technical difficulties then email our IT team using [itservices@reigate-school.surrey.sch.uk](mailto:itservices@reigate-school.surrey.sch.uk).

## NEWS AND EVENTS

### UNIVERSITY OF SURREY WORKSHOPS

Visitors from the University of Surrey Widening Participation and Outreach Programme came to Reigate School last week and ran information and guidance workshops for all our children in Years 7 and 8. The children learned what a University is, the differences between University and school, what it would be like to study at a University and what opportunities it would give them.

It was explained that this was one possible route for them when they finished school and college. They also learned a little about budgeting and about the various clubs and societies that were available. Student ambassadors, who are currently studying at the University, helped with the workshops and spoke about their own experiences of University life.

**What is Talking Teens?**

Teenagers are rewarding, stimulating and fun, but being a parent of one can be stressful and challenging

The Talking Teens Parent Group helps deal with those challenges so you can have a calmer, happier family life.

A tried and tested Programme, it helps us think about what we do, why we do it and how it makes us feel and looks at questions that many parents have, like:

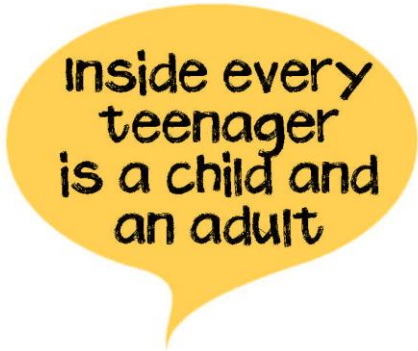

How can I stop my child always getting the last word?

Why do they always sleep in so late?

Can I do anything to help them argue less?

What's normal?

Why don't they want to tell me how they're feeling?

**The Four Sessions**

- 1: Being a parent of a teenager; The role of parents for teenagers; Responding to difficult feelings
- 2: Understanding your teenager; Understanding teenage development; Parenting styles; Praise and criticism
- 3: Communicating with your teenager; Talking and listening; Communicating clearly; Handling difficult issues
- 4: Managing conflict; Rules and boundaries; Choosing how to respond; Problem solving

**Practical information**

There are four 2-hour sessions over four weeks

10-20 parents are invited and there are two Family Links trained group leaders

Partners are welcome and it's also fine to come on your own or with another relative or friend

You'll get the most out of the Programme if you come to all four sessions.

**How the Talking Teens Parent Group has helped other parents**

- "I realised that you're really needed as a parent even if your teenager behaves otherwise"
- "I'm doing a better job than I thought I was"
- "I like the time for discussion during the sessions"
- "It has been really interesting and informative, both leaders great and lovely approach, felt very relaxed"

## ATTENDANCE

We would like to remind all parents and children about the importance of regular school attendance. Children are expected to attend 100% of the time, be punctual every day and show good behaviour in lessons. Parents are expected to phone the absence line on every day of absence to notify the school of the reason for your child's absence.

Telephone number: **01737 245241 (Available 24 hours)**. **Your message should include your child's name, tutor group, reason for absence and your name.**

This year, good attendance, punctuality and behaviour are being rewarded with a trip to Thorpe Park in the summer term for Years 7-10. To qualify your child must have 95 points, which is made up from 95% attendance and points awarded because of good behaviour on their reports each term. Children can also lose points for poor behaviour on their reports and for persistent lateness.

### What are acceptable reasons for absence?

Some examples are vomiting, diarrhoea, high temperature, hospital appointments, and funerals.

### Unacceptable reasons include:

Headache, tiredness, stomach-ache, colds, coughs, birthdays, haircuts, shopping days, duvet days! Children who have broken bones can normally be accommodated in school after discussion with Heads of Year.

### Leave of absence during term time

It is highly unlikely that the Head of School will grant permission for a leave of absence during term time. These can only be considered in the most exceptional circumstances and must be applied for in advance using the absence request form available from the office. Please refer to the Attendance Policy on the school website for more information.

### Will I be made aware if my child's attendance is low?

Yes, if their attendance falls below an acceptable level, a letter of concern will be sent to you and you may be asked to provide medical evidence. If there is no improvement a meeting will be arranged to discuss the situation and you may be referred to the Education Welfare Service. The Government guidelines state that if your child falls below 90% attendance they are classed as persistently absent.

## YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 27<sup>th</sup> June 2019. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 27<sup>th</sup> June 2019. In light of this, please do not book holidays that begin before the 27<sup>th</sup> June 2019 or other events that would mean your child would be unable to come into school.

## SAFEGUARDING

It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>
