MESSAGE FROM THE HEAD OF SCHOOL

The Year 11s' hard work continues as they finish their penultimate week of GCSEs. To mark the end of their GCSEs we will be holding the Year 11 leavers assembly for the children next Friday.

Next week we also have the Year 9 History trip to the London Docklands Museum and the water sports at Mercers Lake continues.

All year groups will have now received information about activities week. Please ensure replies and payments are in on time to guarantee a place for your child. It should be a fun week with various events and of course Sports Day.

This evening we will be holding the Celebration of Success Ceremony at Reigate Baptist Church for this year's prize winners to congratulate them on their achievements.

Enjoy your weekend.

Mr Alexander

NEWQUAY 2019

What an amazing half term! This half term, I was lucky enough to be part of the school trip to Newquay in Cornwall. When we arrived at the hotel to drop off our bags, I remember how shocked everyone was when we went in. Grand chandeliers and warm-welcoming people – this was going to be great!

First, we went to the beach. It was close to the hotel so it didn't take us long to wander down, get into our wetsuits and soon be in the waves. The waves were massive! It was so much fun to ride them. You would think the water would be cold at this time of year, however, the weather was warm and sunny so the water was fine. Afterwards, we hungrily made our way back to the hotel and to dinner. Once we were done, we were back by the beach exploring the caves, running from the waves and playing beach activities such as cricket and football.

The next day we had a lot of fun surfing, body-boarding and playing beach games! We were put into groups and were taught how to surf and body-board (surfing was my favourite, hard but lots of fun!). Next, we did some other activities including archery, zorbing, tightrope walking, blindfold trails, beach volleyball and team building games. We finished this fantastic day with bowling in Truro. It was so much fun and everyone had a great time.

Day three in my opinion was the best day. We had a whole new list of amazing activities such as kayaking, paddle-boarding, mega paddle-boarding and coasteering.

My favourite activity was coasteering which involves jumping off small cliffs into the sea. Exhausted, we collapsed onto the beach and had fresh fish and chips for dinner. Best beach night ever!

The last day went so quickly. Surfing and body-boarding went by fast and soon we were on the coach, ready to go home. We were all very upset to leave. The journey was extremely long (11 hours!) but we made it home to sleep after our very busy week.

A massive thank you to all the teachers for making this such an amazing trip!

SPORTS NEWS

YEAR 7 DISTRICT ATHLETICS

On the afternoon of Wednesday 5th June 2019 some of our Year 7 athletes took part in the annual District Athletics meet at Reigate Grammar School's Hartswood Sports Grounds. A total of 14 schools were represented at the meet which included independent schools Caterham School, Lingfield College and Reigate Grammar School themselves.

Both track and field events were represented by all the schools so it was important that Reigate School put on a good show – and they did!

Out of 14 schools the boys' team finished 3rd, and with only six girls from Reigate they finished 8th.

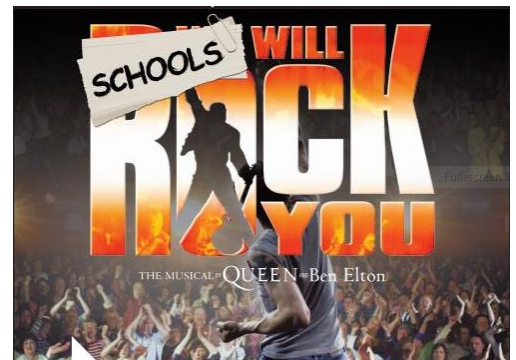

It was an outstanding performance from all competitors. Well done to Joel Bayode, Zac Cusden, Lucas Elliot, Callum Humphry, Jack Merry, George Mooney, Bobby Munro, Charlie Pettipher, Charlie Ruby, Sam Rolaston, Samuel Stapley, Matt Stevens, Zane Yuille, Emma Waylett, Lily Woodhams, Sophia Bryant, Dheyona Rajendra, Isabella Hicks and Eleni Davarias.

PROTECTING SURREY'S ROADS SURFACE TREATMENT TO PROLONG A ROAD'S LIFE

Advance warning
Surface dressing works
Pendleton Road, Redhill
13 June 2019
For approx. 1 day
Road closed

Details:
Thursday 13 June
For 1 day

Working hours:
9.30am – 4pm

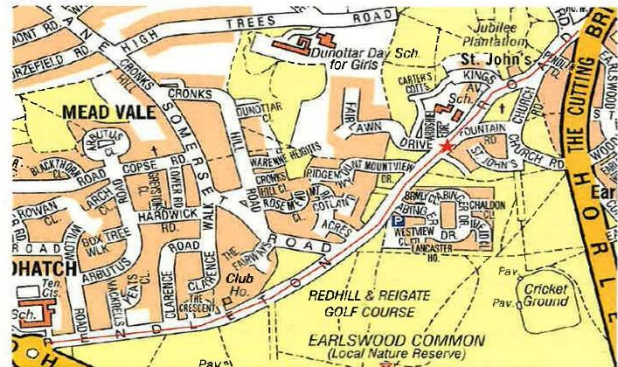

Please look out for advance warning signs on site for any date changes or check www.roadworks.org or @ReigateLC on Twitter

What are we doing?

- We will be applying surface dressing to the road.

What is surface dressing?

- Surface dressing involves spreading a thin layer of glue like material called bitumen on the road and then spreading chippings over the entire surface from kerb to kerb. Traffic on the road will embed the chippings into the bitumen to form the new surface.
- We return to sweep away loose chippings three times - usually 24 hours, 48 hours and then again seven days after the initial works.

Extent of works: _____

Information for residents and businesses

Pendleton Road will be closed whilst we carry out these works. We will make sure you can get to and from your house or business but there may be times when delays are unavoidable. Talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

- For a few days after the work and during prolonged spells of hot weather, the surface may still be sticky and could easily be carried into your home on shoes – make sure you take your shoes off to avoid marking your floor.
- This type of work is weather dependent and bad weather means the work will be rescheduled.
- **Please keep the road free from parked vehicles.** Please park elsewhere on the day we're working otherwise it may be towed to a nearby road.
- **Due to the fast moving nature of this type of work, dates can vary from the ones advertised on this leaflet. If we're unable to work on the date on the front of this leaflet please make sure the road is left clear of vehicles the following working day.**
- You can receive an email alert when the details of these road works change through the www.roadworks.org website by clicking 'Sign up here' on the pop out for the works. You will then receive an alert when any of the following details change: date changes, access information, delays and when works have been completed.
- You can park on the road once the surface dressing is completed and you don't have to park elsewhere when we sweep the loose chippings.
- Road markings will not be replaced until after the final sweep has taken place. It can take a few weeks for the lines to be replaced.

My road looks fine, why is it having surface treatment when there are other roads that need it more?

Surface dressing is a preventative treatment used on roads in a good condition, to protect and prolong their life. It could extend the life of a road by over 10 years and is up to three to four times cheaper than alternative ways of maintaining a road. We hope you are pleased with the works.

Buses

We apologise if our works cause disruption to your bus service. Please check with the bus company for any alterations with the service during this time.

Bogus callers

We do not do private work. If anyone offers to do private work please contact Surrey Trading Standards on 0845 404 05 06 or visit www.surrey.gov.uk/stopcoldcallers

Noise

There will be some noise but we will try to keep it to a minimum.

Who will carry out the works?

The council's contractor Hazell & Jefferies will be carrying out these works on our behalf.

We thank you in advance for your cooperation and patience while we carry out these road works.

YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 27th June 2019. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 27th June 2019. In light of this, please do not book holidays that begin before the 27th June 2019 or other events that would mean your child would be unable to come into school.

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>
