MESSAGE FROM THE HEAD OF SCHOOL

We toured our last set of prospective children and their parents around the school this morning. The tours are always very popular and a great opportunity to experience what the school is like during lessons. Our next tours will be offered in January.

Today we held a Year 11 careers event. The children attended an assembly and participated in workshops provided by the University of Surrey on a range of subjects and skills including apprenticeships, networking and interview skills. A full report will be in next week's newsletter.

Have a great weekend.

Mr Alexander

NEWS AND EVENTS

YEAR 11 OXBRIDGE EVENT

On Tuesday 8th of October, seven Year 11s were taken to visit Reigate College to attend an Oxbridge Talk. We were given an insight into life at Cambridge University's Churchill College, which is based near the science facilities of the institute. The talk was led by Dr Bullimore, who was the school's liaison for Churchill College.

OXBRIDGE EVENT CONTINUED

We were also able to meet the students of Reigate College who have currently applied for Oxbridge and other Russell Group universities, and they shared their approach to completing an application for Oxbridge and other competitive universities.

Ms Walkinshaw, from Reigate College, and Dr Bullimore guided us on the importance of choosing the right A levels for our targeted universities and courses, which gave us a greater understanding of further education beyond Year 11.

"It was an enlightening experience which gave me a greater understanding of top universities." - Hope Stevens

"The Oxbridge talk helped me in terms of deciding the perfect A levels that would shape my academic future." - Alisha Mould

CAREERS FAIR

On Wednesday 9th October a group of Year 9 children had the opportunity to attend the Local Careers Fair at The Harlequin Theatre in Redhill. On arrival the children were shown a film about local businesses, what they do and what further education and careers options they offer. Next, there was a question and answer session with local employers who included, SES Water, Raven Housing Trust, Gatwick Airport, East Surrey Hospital and many others. The children then made their way into the main exhibition room to meet other employers and further education providers. Everyone was keen to talk to our children and to help and encourage them to explore all the pathways open to them. Our children were very engaged and myself and Mrs Corder were impressed with their maturity and the questions that they were all asking.

YEAR 10 GCSE GEOGRAPHY EASTBOURNE FIELDTRIP

On Monday 7th, Tuesday 8th and Wednesday 9th October, the Year 10 Geographers ventured down to Eastbourne to complete their second and final piece of GCSE fieldwork. The focus of the visit was to investigate whether the coastal management in place along the seafront was affecting the natural processes that would normally be carrying beach sediment along the coast. On all three days the children took turns to carry out beach length and height measurements to obtain evidence to support the focus of the investigation. Luckily the weather held out each day and due to the efficiency of the data collection there was even time to sample chips and mini doughnuts on Eastbourne Pier before it was time to head home.

A big thank you to Mrs MacPherson and all the invigilators who helped the Geography staff over the three days.

YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 25th June 2020. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 25th June 2020. In light of this, please do not book holidays that begin before the 25th June 2020 or other events that would mean your child would be unable to come into school.

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them.
