### MESSAGE FROM THE HEADTEACHER

This week was the last of the Parent Information Evenings. We had a fantastic turnout of Year 10 and 11 parents. Hopefully everyone has found them useful. Copies of presentations will be available on the website shortly.

The Year 11 students have been fantastic in getting their college applications in (deadline today).

I hope you all have a lovely weekend.

Mrs Wardlow

## YR10 NETBALL TEAM WIN 5 OUT OF 6 MATCHES

The Year 10 netball team recently took part in a tournament at Royal Alexander and Albert School competing against other local schools for the Netball Shield.

The team started with Rachel GS, Cornelia GA, Beth WA, Chloe C, Fiona WD, Amber GD and China GK. The team worked really hard and got lots of interceptions in the first game but the shooters were struggling to get their eye in. After a while we sorted it out and the interceptions, combined with accurate passing, catching and nifty moves at the centre pass gave the shooters lots of opportunities for success. After the first win we then came across a better team in the form of Lingfield. We battled against them for 8 minutes with lots of superb interceptions from China, Amber and Sophie (who came on at WD) but they scored before we did and beat us 1-0.

After the loss we had a change around and put Amber at GA, a position that she doesn't feel that confident about but is good at, particularly when taking leaps into the circle to get close to the post for shooting. Alicia also came on at WA and Beth moved to Centre. We won another 2 games, one with Dunottar School (whom we expected to struggle against because they looked so good). Our team fought for everything and worked very well together, Sophie, Fiona, Chloe and Beth moving the ball expertly up the court to the shooters, Amber and Rachel passing the ball around the circle to get into the best position to shoot and Sophie, China and Alicia doing fantastic interceptions in defence.

In our final games we had another change and put Alicia at GK and Cornelia at WA. Both girls played very well in these positions.

We finally won 5 out of 6 games losing only 1 match by 1 goal. As Lingfield School won all their matches, they were awarded the Shield but the team spirit and hard work that the Reigate School showed made them all winners.

I would like to congratulate the girls on the improvements they have made in the last few years through their dedication to the game.

HORSERIDING

Reigate School's Equestrian team enjoyed a good day out at the recent Eventers Challenge held at Coombelands Equestrian. The team comprised of Harrison, Lauren, Steffany and Megan. Harrison and Steff both rode very accomplished clear rounds to just miss out on a placing; and Meg and Lauren rode really well but unfortunately managed to pick up some faults.

This is the first time the team has competed together and they all were very supportive of each other and are looking forward to the next competition.

YEAR 8 AND 9 NETBALL WINS

Both Years 8 and 9 netball teams won their games against de Stafford this week with Year 8 winning 18-6 and Year 9 8-2. Player of the match for Year 8 was Rebecca Frampton and Year 9 Zhasmine Naumova and Jasmine Warner. Well done girls!

### SURREY'S NEW 'YOUR NEXT MOVE' PORTAL

Surrey County Council has launched a new portal which provides young people, parents and professionals with a wealth of information about the options available to young people upon leaving school. The portal outlines the different forms of participation that enable young people who are 16+ to meet their duty to participate in line with the Raising the Participation Age legislation.

You can find information about studying, apprenticeships, traineeships, supported internships, employment, volunteering and much, much more.

Some of the features of the portal include:

- An FAQ section for parents and young people
- Interactive post-16 provider maps
- A news and events section
- Participation information for those with SEND.

Whether you need inspiration to help you decide what to do with your future or whether you're just looking for a bit of advice, the Your Next Move portal can help!

### CAREERS GUIDANCE

We have a careers section on the school website with lots of information regarding college open days, apprenticeship information, up and coming events and much more. You can find it under: Academic / Options at post 16 / Careers.

Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
