22nd May 2020

Dear Parents and Carers

I have already contacted the Year 10 families but just to keep you all in the loop. We are making plans for the return of the Year 10s in some capacity after half term but first need to ensure the school is safe for both the children and staff to return. This will not happen until the week commencing 8th June at the very earliest.

We are conscious of the schooling the children are missing and continue to trial and develop new ways of engaging the children with their online learning. The DfE has published some new guidance for parents to support home learning which may be of some use to you. You can find the document via this link:

https://www.gov.uk/guidance/help-secondary-school-children-continue-their-education-during-coronavirus-covid-19?utm_source=1992819e-b988-439e-9846-d5d2ae5f5e22&utm_medium=email&utm_campaign=govuk-notifications&utm_content=immediate

There will be no work set over half term and the school will be closed to children. I hope you all enjoy a well-deserved break.

Kind regards

Mr Alexander
Head of School
