### MESSAGE FROM THE HEAD OF SCHOOL

We held our school tours for prospective children and their parents this week. The tours are always very popular and a great opportunity to experience what the school is like during lessons. Our next tours will be offered in June.

This week a group of Year 10's had the opportunity to experience a Government and Politics lesson at Reigate College and next week a group of Year 8's will be attending an Exploring Higher Education week at the University of Surrey with the aim of helping children to find out more about Higher Education and life at university.

We look forward to welcoming our Year 9 parents and carers to our Parents' Evening on Thursday 6<sup>th</sup> February.

Have a great weekend.

Mr Alexander

### YEAR 11 ART LESSONS

In Year 11 Art lessons this week we held a Mad Hatters Tea Party. The GCSE theme is 'Event' so it was a good opportunity to get some good quality drawings from a tea party still life set up. We all had a great time and the children have got some great initial ideas for their projects. Thank you to Miss Jackson for fully embracing the theme!

## SPORTS NEWS

### YEAR 9 FOOTBALL TOURNAMENT

On Tuesday 21<sup>st</sup> January, Reigate School took part in a seven-a-side football tournament at Warlingham School. The teams involved were Reigate School, Warlingham School, Oxted School, Oakwood School and The Royal Alexandra and Albert School (RAAS). We turned up with only six players but we didn't want that to stop us so we participated and tried our best throughout the whole tournament.

Our first game was against Warlingham and already our seventh player was missed but we tried our hardest for the 10 minutes and we only lost 2-0. Great tackles by Johnson and hard work by the team kept us in it. For the first game it wasn't too bad so we wanted to keep that effort up as we headed into our second match against Oakwood and we did, ending the match with a 0-0 draw. It was a tough game but coming away with a draw was a good result. Next we played RAAS. It was going to be a hard game and it was, resulting in a 3-1 loss but exceptional saves by Louis kept us in it and a superb through ball by Jamie set up our only goal of the tournament scored by William.

Our final game was against Oxted and so far Oxted had won all of their games so we knew it was going to be a tough game and it was with us losing 4-0. However, with six men we thought that we played well and we were happy to take part.

Reigate School Team: Henry Woods, William Loft, Jamie Cattermole, Louis Jackson, Johnson Flack, Sam Potten

## INSIGHT

Thank you to those of you that have already logged into INSIGHT. Over the course of this academic year we will be increasing the use of INSIGHT and you will need to have access to INSIGHT to book the upcoming parents' evening appointments starting next term. If you haven't yet logged on, INSIGHT can be accessed in two different ways:

### Mobile App

INSIGHT's mobile app is free and is available for both Apple and Google Play. Search for: **Insight by TASC**

### INSIGHT website

Search for <https://insight.reigate-school.surrey.sch.uk/insight>

To log in via the app or website you require your username which is your e-mail address and a password. If you do not have your password there is an option for a reset which will enable you to have a new password e-mailed out to you.

Don't know your password?

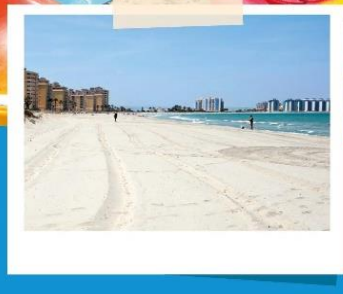

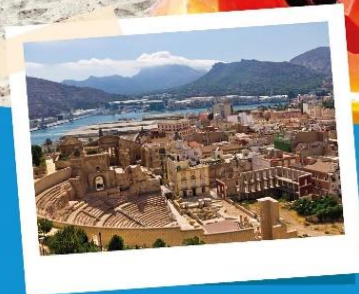

Once you have accessed INSIGHT please open your child's Report. This will automatically update our records and identify that you have access.

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 25<sup>th</sup> June 2020. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 25<sup>th</sup> June 2020. In light of this, please do not book holidays that begin before the 25<sup>th</sup> June 2020 or other events that would mean your child would be unable to come into school.

## VACANCIES

### School Governor Vacancies

Could you help children within the Greensand Multi-Academy Trust succeed by becoming a School Governor?

It's a great way to get involved in the local community, learn how education really works from the inside, support children and teachers at a strategic level and bring skills and knowledge from your working life into the team. Whether you are a parent, carer or grandparent it may be you have just the skills we are looking for. Each school within the Trust works slightly differently but we really want to encourage parents to work in different schools across the Trust. The particular skills needed currently on the various governing bodies are listed below. However, if you don't feel your skills fit exactly but are still interested, do still get in touch.

**Wray Common Primary School:** Finance, Data Analysis, Education or Human Resources

**St John's Primary School:** Data Analysis, Education, Health and Safety, Risk Management

**Holmesdale Community Infant School:** Procurement, Project Management, links with local community, SEN (Special Educational Needs) knowledge

**Dovers Green School:** No vacancies

**Reigate School:** No vacancies

In the first instance, please contact the Clerk for Reigate School, **Emma Salisbury**, for details by email [e.salisbury@reigate-school.surrey.sch.uk](mailto:e.salisbury@reigate-school.surrey.sch.uk). You can then either be put in contact with another school, speak to a current Governor about the role (with no obligation), or complete an application form.

## SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

### CAREERS GUIDANCE

There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events.
