## MESSAGE FROM THE HEAD OF SCHOOL

This is the final newsletter of the year and what a very different year it has been. I would like to thank all of the parents, carers, children and staff who have supported the school and worked so hard, especially through these last four challenging months.

Unfortunately we were unable to hold our Celebration of Success Ceremony this year, however we still wanted to acknowledge the hard work of the children throughout the whole school. Please find in this newsletter the list of this year's prize winners. Congratulations to all of the prize winners and Duke of Edinburgh achievers.

Farewell and good luck to the following members of staff who will be leaving us at the end of term: Miss Lane, Mrs Morris, Mrs Scotton, Mr Mills and Mrs Young.

I hope you all have a great summer break and we look forward to welcoming the children back in September.

Please remember to keep checking the school website and your emails for any updates regarding September.

Stay safe and well.

Mr Alexander

## HOME WORKING HEROES OF THE WEEK

### RE & SOCIOLOGY

Priyanka Patel (Year 7), for her excellent RE work and reasoned arguments about ahimsa (non-violence).

We are tremendously proud of every child who has shown great resilience and determination in the face of difficult circumstances. We want you to have a restful and relaxing summer, and want you to know that we are looking forward to welcoming you back in to RE and Sociology lessons in the new academic year.

### MFL

Aimee Baldan (Year 10) for excellent effort to submit work throughout lockdown.

Freya Woodford (Year 9) has submitted beautifully presented work that has consistently been of a high standard.

Thomas Foot and Gwendolyn Sheehan (Year 9) for their excellent work. They have both submitted every task to a high standard and Miss Salton has been really impressed by their answers to the General Conversation Questions.

The MFL Team has been so impressed with the commitment our children have demonstrated to their language studies. The fact that so many of you entered the competitions was further evidence of this positive attitude to learning. Your hard work has been noted and you should be proud of your independent, enquiring minds. We would like to wish everyone of you a wonderful summer and we are looking forward to welcoming you back in September.

### HUMANITIES

Thank you to all of my Geography classes across the year groups who have continued to work hard throughout lockdown and produced excellent work. I am proud of them all. Mr Lyle.

### COMPUTER SCIENCE

Jesse Parker (Year 7) for her excellent contribution to computing.

## HOME WORKING HEROES OF THE WEEK (Cont)

## CARNEGIE CLUB

Dear Carnegie Club

I'm sorry that we weren't able to get together this term to read all of the Carnegie Shortlist books and vote for our favourite. You may have heard that 'Lark' was the winner but my favourites were 'Black Flamingo', 'Lamp', 'Girl, Boy, Sea' and 'Nowhere on Earth'. You might like to have a go at reading one of those if you have time in the summer holidays. It was also a shame that we had to cancel our trip to '&Juliet' because of lockdown, I was really excited about sharing the day and the experience with you all.

This isn't the way I would have liked to say goodbye, but lots of things have changed for all of us and I am leaving Reigate School for a new journey now. I have loved running the Carnegie Club for the last six years, you always give me so much to think about and are a truly inspirational group of young people who have created a myriad of happy memories for me to cherish. Good luck to all of you and I hope your love of reading is lifelong.

Best wishes

Mrs Scotton

Year 9 have been studying poems about power and conflict. One of these is Charge of the Light Brigade by Alfred Lord Tennyson. Lucy Mascall said she wanted to get a better understanding of Tennyson's poem so she wrote her own from the perspective of a soldier involved in the battle. Amazing! I'm blown away by not only her motivation to do above and beyond, but also the quality of this poem. So many of our children are doing such amazing things.

## *It Started With A Gun*

*Guns were at hand, each soldier holding one  
Lined up amongst each other  
A sign was being written for us, the battle had just begun  
An invisible sign, with meaning, without colour*

*Sudden movement came from our side  
The Commander had no time to think  
He urged everyone to stand for their country and not hide  
Ride into battle, do not fidget, never blink*

*Men climbed onto their horses back  
Never showing a mark of fear  
I trembled as my confidence began to crack  
Fighting back what felt like a tear*

*Towering over the soldiers felt like I had power  
Though my existence here was powerless  
Our rival had grown bigger like a flower  
But shattered our charge with ease and success*

*Horses moved without hesitation  
Longing for freedom  
Not knowing that going into battle would be without communication  
Or even ending up in a museum*

*A sky once full of hope now turned grey  
As we charged our light brigade into battle  
The Russians fired away with no delay  
Sounds of crashes and screams floated into my ear with a rattle*

*Blood swam over rocks and camouflaged the floor  
Swords scattered around the place  
I layed there, injured and could not fight anymore  
As my enemy was standing in front of me, face to face*

*This world had no peace nor liberty  
By innocent lives being lost  
Because the wars kept coming like it was infinity  
And fighting in a war came with a cost*

*Our charge had failed  
The enemy had won  
Stories, books and poems had been written and detailed  
As it all started with a gun*

## Reading Achievement Prizes!

At the end of every academic year, we give out prizes to children in Years 7 and 8 who have worked particularly hard with their reading. We look at the statistics from Accelerated Reader and Accessit (the library management program) to make sure that this is fair. This year it has been amazing to see how brilliantly so many children have done with their reading and quizzing, and we have had more 'word millionaires' than ever before!

In YEAR 7 Waterstones book tokens are being awarded to....

### Top Readers

Afua L.-Y. 6,484,148 Words

Eliana D. 5,257,016 Words

### Top Book Borrowers

Afua L.-Y. 46 Books

Luz T. 35 Books

In YEAR 8 Waterstones book tokens are being awarded to....

### Top Readers

Kai B. 3,778,335 Words

Alba L.-V. 3,562,658 Words

### Top Book Borrowers

Nandini J. 19 Books

Alba L.-V. 18 books

## MFL MONOPOLY COMPETITION

We had some excellent entries for our MFL Monopoly poster competition. It was a really fantastic effort considering this was an extra task set in addition to the class work and homework the children were completing for all subject areas. The posters were beautifully designed, showing amazing artistic skills as well as demonstrating great research skills on the chosen countries.

It was very difficult to pick a winner. In the end, we chose an eye-catching poster that presented lots of information about Madagascar, created by.....

Claudia D'Angelo!

Congratulations Claudia from, Mrs Monnery and the MFL Team

A huge well done to everyone who entered, and watch out for more competitions next school year!

## ARTIST OF THE WEEK

### ZARA MEHMOOD

Zara says 'I edited the photograph by getting two pictures of my cats then merging them together so they are next to each other. Then I took a picture of my profile silhouette and made the cat picture into my portrait. I then got a picture of a sunset that I had taken on the top of Leith Hill and put it into the background. This was my third attempt at making it because I was editing on Procreate and I am really new to the app so it took some time to figure out'.

Well done Zara, this is a very clever final piece. Your work is always original and so well planned. We are super proud of you and can't wait to see you develop as an artist over the next few years.

YEAR 7 ARTWORK

These are a collection of final pieces by year 7. The work is based on the theme of identity and as you can see they have all interpreted it in different ways and worked in different media. Well done year 7 you have been working so hard at home on these, they look fantastic!

## UNIFORM

We have introduced a new pleated skirt for girls as part of the Reigate School uniform. From September girls will now have the choice of whether to wear either the existing straight A-Line skirt or a new pleated skirt. Both styles are acceptable. The new pleated skirt will be available to purchase from SWOTS in Reigate later in the summer.

## SCHOOL ASSEMBLIES

This term we will be running weekly assemblies for the whole school. The children will receive a link to the weekly assembly every Monday via Show My Homework.

*Reigate School*

*Helping children achieve their academic, social and personal potential*

This week's assembly is on the topic of "Hamilton" and can be viewed on the link below. Please paste the link into your web browser if you have any difficulty accessing the assembly.

## CHILDHOOD IMMUNISATIONS

### Childhood Immunisations

There are a number of immunisations that will take place in the new school year starting September 2020.

The vaccination programme is managed by Children and Family Health Surrey who provide a service for children and young people from birth up to 19 years of age.

The immunisation team ONLY use online e-consent where you can book or decline to have your child immunised at school. There are no paper consent forms and consent cannot be given over the phone to school.

Reigate School facilitates the vaccinations and they will take place in school. We will be sending out letters during the new school year that tell you how to book using the e-consent used by the Children and Family Health Immunisation team.

The following immunisations are planned to take place

October 2020:	Year 8s will get their first HPV dose.
March 2021:	Year 9s will get their final teenage booster*.
June 2021:	Year 8s will get their second and final HPV dose
June 2021:	Year 9s will have their second and final HPV dose (missed this year due to school closure)

\* The teenage booster, also known as the 3-1 or the Td/IPV vaccine is given to boost protection against 3 separate diseases, tetanus, diphtheria and polio. Your child will have had vaccinations for this as a baby, aged 3 as a pre-school booster and one final vaccination in year 9. If you think you have missed any of these doses talk to your doctor or practice nurse.

Information on these vaccinations can be found at:

<https://www.nhs.uk/conditions/vaccinations/hpv-human-papillomavirus-vaccine/>

<https://www.nhs.uk/conditions/vaccinations/3-in-1-teenage-booster/>

## COMMUNITY HELPLINE

Surrey County Council have set up a new community helpline to direct families to services that can help during the coronavirus pandemic.

This community phone line is here for two things:

- To help direct residents who need support, if friends and family are unable to help with such things as picking up shopping, prescription collections or having someone who can be a telephone friend, and other services that can help.

- To provide advice on where to register your offer of help to support your community.

Community Helpline number: 0300 200 1008 (Monday to Friday: 8am to 6pm, Saturday and Sunday: 10am to 2pm)

## STARLINE

StarLine is a national home learning helpline offering expert information and advice to parents and carers.

StarLine advisers are qualified teachers and education and parenting experts from schools, trusts and national organisations. They work in different types of schools, in different towns, and cities and have different subject specialisms. They all understand the challenges of home learning and want to help parents and carers support their children's learning.

StarLine can help parents and carers in the following ways:

- By providing access to a team of qualified teachers, education and parenting experts.
- By focussing on providing practical ideas, support and reassurance.
- By offering tips, techniques and resources to enable parents to give their children the support they need to continue learning while schools are closed.
- By supporting family wellbeing and mental health.
- By covering all phases of education and subjects plus behaviour, pupil wellbeing and SEND.

StarLine is available to parents and carers of children from all schools nationwide. Free, confidential advice is available six days a week by phoning the StarLine team on 0330 313 9162. For more information, visit <https://www.starline.org.uk/> or follow [@StarLineSupport](https://twitter.com/StarLineSupport) on Twitter.

**How are you doing?**

If you, or your family are having a hard time at the moment, you are not alone. There are many ways to get help.

You can also get help from Mind. Visit [www.mind.org.uk](http://www.mind.org.uk), call 0300 123 3393 or text 86463.

**How to keep your child safe**

Young people may be spending a lot more time online. Do you know who your child is talking to?

If you, or someone you know is in crisis visit [www.samaritans.org](http://www.samaritans.org) or call them on 116 123.

Young people who are feeling particularly anxious or depressed can visit [www.kooth.com](http://www.kooth.com)

For online safety advice for children and parents visit [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

**At home shouldn't mean at risk**

If young people see something criminal online (or offline) they can report it 100% anonymously at [www.fearless.org](http://www.fearless.org)

If you are feeling frightened in your home because of someone's behaviour, the Surrey Domestic Abuse Helpline is open 9am to 9pm, 7 days a week; 01483 776822 or visit [www.surreyagainstda.info](http://www.surreyagainstda.info)

If you're concerned about the safety of a child or young person call 0300 470 9100 (01483 517898 out of office hours) to speak to the specialist team at Surrey Children's Single Point of Access.

If you are in immediate danger call the Police on 999. If you can't talk out loud the police operate a Silent Solution, call 999 and then press 55.

**Mental health**

Social distancing and isolation will be hard for many people. For tips on mental wellbeing and to access specialist support locally visit [www.healthysurrey.org.uk/mentalwellbeing](http://www.healthysurrey.org.uk/mentalwellbeing)

Children and young people who don't feel safe at home can get help from Childline, call 0800 1111 or visit [www.childline.org.uk](http://www.childline.org.uk)

## SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

## CAREERS

### CAREERS GUIDANCE

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events. Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
