MESSAGE FROM THE HEAD OF SCHOOL

To mark anti-bullying week, Linz Dawn from Sparkfish has been taking our assemblies. The Anti-bullying Alliance has lots of helpful tips for parents and children on how to deal with bullying.
<https://www.anti-bullyingalliance.org.uk/anti-bullying-week>

The Year 11s have finished their mocks. Our cross country teams have been to the Royal Alexandra and Albert School at the District Cross County race and Years 7 and 8 had a rugby festival at Oasis Academy in Coulsdon. Both with great success.

For the next four weeks we would like to introduce useful tips from the CEOP (Child Exploitation Online Protection) Thinkuknow website <https://www.thinkuknow.co.uk> which automatically updates with the latest developments, guidance and parental/professional support strategies. The first tip below is from National Online Safety.

The Let's Sing Together concert last week was a huge success. Thank you to all the children, staff and parents who helped towards making it such a fantastic evening.

Mr Alexander

Child Exploitation Online Protection (CEOP) – TIP 1

NATIONAL ONLINE SAFETY

National Online Safety have created a 'conversation starter' poster about online safety. The guide includes seven questions to get 'the conversation' going in relation to children's internet usage. Engaging in regular, two-way communication with children about online activities is a really important way of building trust and highlighting the dangers they are exposed to every day. The poster is available to view on the following link:

LET'S SING TOGETHER

Friday 9th November was a magical evening at Reigate Baptist Church as the Let's Sing Community Concert took place. Our own school choir and Leading Ladies singing group took part along with six local primary school choirs.

The Deputy Mayor Councillor Julian Ellacott welcomed everyone and then our Head Boy and Head Girl Oscar and Etienne introduced the theme 'The Greatest Show'. All seven choirs opened the show singing two songs from the The Greatest Showman with Oscar being our very own P T Barnum. Each school then sang two songs from some great shows.

Our Deputy Head Boys Zak and Efan introduced the two charities we were collecting for - Stripey Stork and Welcare. The evening ended with children and parents joining in a singalong of 'This is me'. The evening was greatly enjoyed by all and we raised around £900. Thank you to all who helped on the day.

POPPIES

This year we wanted to do something a little bit special to mark 100 years since the end of World War 1. Planning began last year after feeling inspired by Redhill's 'Knitting Nana'. Pauline Clark is grandmother of two of our children Iris and Isabella and last year she yarn bombed Redhill with over 1,000 knitted poppies to raise money for charity. So this year we asked every child in the school to make a poppy. Everyone was keen to get involved in the poppy movement. Initially we ran poppy club where the staff and children came together each week for a 'knit and a natter'. Then before we knew it we had everything from knitted to clay poppies! The children and staff worked very hard to create a spectacular display in the front entrance of our school.

"I played a part by sketching out a large poppy onto canvas for the year 7s to paint during the freshers' fair. I think that the display shows lots of different skills. My favourite piece is Miss McGuire's painting. She teaches science so I didn't know she could paint" – Poppy-Lee Currier, 10JKA.

"My nana knits poppies every year that go on display in Redhill. She knits every day. When I told her about our school display she was pleased that she had inspired us and she liked how we had done something special for remembrance day" - Isabella Kibuuka, 9SCA.

"I really liked looking at the display. My favourite piece was a collaged fabric piece in a frame by Holly Nixon in Year 9" - Poppy Duncan, 8WE.

Thank you for all your donations. We will let you know how much was raised once the figure is finalised.

YMCA EAST SURREY

SHOEBOX APPEAL FOR THE ROMANIAN AID FOUNDATION

Thank you so much for all your shoebox donations. These will go to families in the Dorohoi area of north-eastern Romania. Here, unemployment and poverty are a daily experience all year round. This sense of deprivation is made worse at Christmas time by the extreme winter temperatures.

The Joy in a Box Appeal aims to bring some measure of hope and encouragement. For many people these gifts might be the only ones that they receive at Christmas. Each box means so much to those who have so little.

NEWS AND EVENTS

SURREY CAREERS FAIR

On Wednesday afternoon we took 25 Year 9 children to the Surrey Careers Fair at Epsom Racecourse. The event, ran by Surrey University, had over 50 different businesses, universities, colleges and apprenticeship courses attend.

The purpose of the day was to introduce the children to all the different career paths they could follow and incredible opportunities available to each of them once they have left Reigate School. The courses represented were varied and far-reaching, from hair and makeup courses to nursing and construction to risk assessment.

The children enjoyed the activities available, asked questions and were outstanding in representing Reigate School. Although it poured with rain, their spirits certainly weren't dampened and all left the event in high spirits about their future.

GIRLS' DISTRICT CROSS COUNTRY

On Tuesday 6th November The Royal Alexandra and Albert School held the girls' district cross country event. Historically, it is a cold, wet affair. This year, however, was a different experience altogether. It could not have been more glorious – blue skies, soft, dry ground and simply perfect conditions for our girls to compete.

First up was our nervous, fresh-faced Year 7 team. They were up for the challenge of racing with over 100 runners; the course was new to them but this didn't put them off. Some went out too quickly and paid the price in the final half a mile but all of them finished the course and did themselves proud. A special mention goes to our top 3 finishers of Lily (10th), Evie (15th) and Sophia (26th). They recovered with some hot chocolate and Haribo!

The next race saw our Year 8 team running a slightly longer course. This didn't put them off and they rose to the challenge. We cannot fault the effort from this team; all of the girls had exhausted every ounce of energy that they had and this showed their grit and determination to do their best. Francesca delivered a star performance and finished 13th.

Finally, our Year 9 team showed their experience and composure as they lined up to start. They used their waiting time wisely and warmed up thoroughly beforehand. As they passed the crowds at the start, they had already established their own places within the pack, working with a teammate to push each other on. This team topped off the day for us. The whole team finished within the top half of the line-up. Our top three were Ella (8th), Matilda (13th) and Holly (14th).

We could not have asked for anything more than the girls gave us. The attitudes and effort from all of them was exemplary and they did Reigate School proud.

We are hopeful that some of our top runners will have qualified for the next round. Watch this space.

SAFEGUARDING

THINKUKNOW

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. BOOSTFIT is a new kind of fitness class. Suitable for any age, size and fitness level, everything is taken at your own pace, no judgement – just fun.

Classes are at Reigate School on Mondays from 7:30pm – 8:30pm. £5 for an hour's session just turn up – no need to book.

YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 27th June 2019. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 27th June 2019.

In light of this, please do not book holidays that begin before the 27th June 2019 or other events that would mean your child would be unable to come into school.

ATTENDANCE

We would like to remind all parents and children about the importance of regular school attendance. Children are expected to attend 100% of the time, be punctual every day and show good behaviour in lessons. Parents are expected to phone the absence line on every day of absence to notify the school of the reason for your child's absence.

Telephone number: **01737 245241 (Available 24 hours)**.

Your message should include your child's name, tutor group, reason for absence and your name.

This year, good attendance, punctuality and behaviour are being rewarded with a trip to Thorpe Park in the summer term for Years 7-10. To qualify your child must have 95 points, which is made up from 95% attendance and points awarded because of good behaviour on their reports each term. Children can also lose points for poor behaviour on their reports and for persistent lateness.

What are acceptable reasons for absence?

Some examples are vomiting, diarrhoea, high temperature, hospital appointments, and funerals.

Unacceptable reasons include:

Headache, tiredness, stomach-ache, colds, coughs, birthdays, haircuts, shopping days, duvet days! Children who have broken bones can normally be accommodated in school after discussion with Heads of Year.

Leave of absence during term time

It is highly unlikely that the Head of School will grant permission for a leave of absence during term time. These can only be considered in the most exceptional circumstances and must be applied for in advance using the absence request form available from the office. Please refer to the Attendance Policy on the school website for more information.

Will I be made aware if my child's attendance is low?

Yes, if their attendance falls below an acceptable level, a letter of concern will be sent to you and you may be asked to provide medical evidence. If there is no improvement a meeting will be arranged to discuss the situation and you may be referred to the Education Welfare Service. The Government guidelines state that if your child falls below 90% attendance they are classed as persistently absent.
