Excitement has been building in the Performing Arts department this week as auditions for lead roles in the summer school show 'We Will Rock You' have been taking place. Roles will be announced shortly.

On Monday, the Year 10s and 11s have a visit from Surrey County Council's roadshow 'Safe Drive, Stay Alive'. They are delivering a series of live educational performances featuring a sequence of films and live speakers. ATTENDANCE

We would like to remind all parents and children about the importance of regular school attendance. Children are expected to attend 100% of the time, be punctual every day and show good behaviour in lessons. Parents are expected to phone the absence line on every day of absence to notify the school of the reason for your child's absence.

Telephone number: **01737 245241 (Available 24 hours)**.

Your message should include your child's name, tutor group, reason for absence and your name.

This year, good attendance, punctuality and behaviour are being rewarded with a trip to Thorpe Park in the summer term for Years 7-10. To qualify your child must have 95 points, which is made up from 95% attendance and points awarded because of good behaviour on their reports each term. Children can also lose points for poor behaviour on their reports and for persistent lateness.

What are acceptable reasons for absence?

Some examples are vomiting, diarrhoea, high temperature, hospital appointments, and funerals.

Unacceptable reasons include:

Headache, tiredness, stomach-ache, colds, coughs, birthdays, haircuts, shopping days, duvet days! Children who have broken bones can normally be accommodated in school after discussion with Heads of Year.

Leave of absence during term time

It is highly unlikely that the Head of School will grant permission for a leave of absence during term time. These can only be considered in the most exceptional circumstances and must be applied for in advance using the absence request form available from the office. Please refer to the Attendance Policy on the school website for more information.

Will I be made aware if my child's attendance is low?

Yes, if their attendance falls below an acceptable level, a letter of concern will be sent to you and you may be asked to provide medical evidence. If there is no improvement a meeting will be arranged to discuss the situation and you may be referred to the Education Welfare Service. The Government guidelines state that if your child falls below 90% attendance they are classed as persistently absent.

YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 27th June 2019. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 27th June 2019. In light of this, please do not book holidays that begin before the 27th June 2019 or other events that would mean your child would be unable to come into school.
