YEAR 10 NETBALL

On Wednesday 18th September our fresh, energised Year 10's began their season with an away match to the Beacon School. Both A and B teams felt prepared for this despite already being a teammate down before getting on the bus! We were lucky enough to have our very own musical experts in the front in charge of the tunes to get us pumped up. Sadly, the musical taste in the back wasn't quite appreciating Classic FM.

On our arrival it soon became clear that we didn't have two teams to compete against and simply one A team only. This meant that we had fresh legs to sub on each quarter but left us feeling like we couldn't quite gel together before the combination of players was altered again.

YEAR 10 NETBALL CONTINUED

However, the game remained close throughout, with a contentious questioning of the score at half time. This meant that the Beacon went up by one and we were feeling a little down beat.

The third quarter was the lowest scoring quarter, both teams struggling to get the ball into the D. Again, we displaced some excellent play down the court, sometimes only taking 3 passes to get in our attacking third. In the end we lost our touch in the final quarter, with the Beacon inching ahead by 4 goals to claim the victory. Final score 14-18. Player of the match, rightly given to Hannah. Well done!

We have shown huge progress in working together as a team. Selection for A and B teams is going to be tough especially for the WA, C and WD positions with everyone showing talent in various forms. Perhaps not the start we wanted to the season but huge promise for the upcoming matches.

YEAR 11 NETBALL

On Tuesday 1st October the Year 11 Netball team competed in the District Netball Tournament at The Royal Alexandra and Albert School.

Our first game was against The Royal Alexandra and Albert School which was a comfortable win, followed by Oxted School which was more challenging. After winning the first half 4-2, Oxted brought it back to a 5-5 draw.

Our third game was against Warlingham School who unfortunately dominated and we lost 11-6. We needed to win our last game to have any chance of getting into the County Finals like we did last year, and it was against Woldingham School.

After some quiet analysis from coach and players, we went out there and smashed them 11-0. We had won 2, drew one and lost one, but so had Oxted which meant that we had finished on the same points. We had to go to goal difference and after a nerve racking wait we were told that we had scored one more than them and therefore went through to the Counties.

The girls played their hearts out and gelled so well as a team. They are a real pleasure to watch and coach.

Well done to all of you!

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

CAREERS

CAREERS GUIDANCE

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events. Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
