TEXTILES

For the past few weeks our Year 11 Art and Textiles students have been working very hard on final pieces. Our GCSE students had eight weeks to prepare and fill a sketchbook with artist investigations, personal responses, and written analysis. They had 10 hours spread over two days in school to complete a final outcome. Everyone worked hard to produce a piece that demonstrated the skills they have learnt over the course. We will be holding an exhibition in June where all the work will be on display, watch out for that after half term. Well done to all our art and textiles students - we are really proud of you!

I feel so relieved that my textiles exam is over and I never have to do textiles ever again! - Megan Boyd-Preece  
 I'm so glad that I've completed my piece and book as much as I could and I have tried my best throughout! - Abby Hook  
 Everything went well; I was even ahead of time! - Errin Hussey

## SPORTS NEWS

On 11<sup>th</sup> May Years 9, 10 and 11 competed in the District Athletics 2017 at K2. It was a beautiful day, the sun was shining and the atmosphere amongst the crowd of schools was spectacular. With a bit of help from Miss Wall and Mr Thompson the stadium was roaring with support.

Throughout the day many track and field events were completed. As a school we took part in girls and boys 100m, 200m, 300m, 400m, 800m, 1500m, hurdles, relay, discus, javelin, shotput, high jump, long jump and triple jump.

Of course the champions that we are, we qualified for some sporting finals. As the tension built up our participants took their marks patiently waiting for the sound of the starting gun. As a result of hard work and dedication Reigate ploughed through the events with pride, never giving up. A huge thank you and congratulations to all the performers who represented Reigate School.

Special mention to the Year 9 boys' squad who came 6<sup>th</sup> out of 15 in their competition and the Year 10 and 11 boys' squad who came 4<sup>th</sup> out of 13 overall!

### SURREY'S NEW 'YOUR NEXT MOVE' PORTAL

Surrey County Council has launched a new portal which provides young people, parents and professionals with a wealth of information about the options available to young people upon leaving school. The portal outlines the different forms of participation that enable young people who are 16+ to meet their duty to participate in line with the Raising the Participation Age legislation.

You can find information about studying, apprenticeships, traineeships, supported internships, employment, volunteering and much, much more.

Some of the features of the portal include:

- An FAQ section for parents and young people
- Interactive post-16 provider maps
- A news and events section
- Participation information for those with SEND.

Whether you need inspiration to help you decide what to do with your future or whether you're just looking for a bit of advice, the Your Next Move portal can help!

### CAREERS GUIDANCE

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to quiz which is fun to take and will give students an idea of what kind of careers will suit their personalities.
