

Reigate School

GLOBAL TRIP CONSENT FOR EDUCATIONAL VISITS

We often take children on educational visits in connection with their work in school and for their participation in sporting activities.

The consent we are requesting is as follows.

- I wish my child to be involved in educational visits and I understand that information regarding these visits will be provided. Visits would be on foot, minibus or by coach. We will still inform you if your child is going to be out of school, but with global consent there would be no need for you to reply each time.
- You may be asked to give your consent via our online payment system Tucasi particularly when visits involve a cost and/or voluntary contribution.
- I further understand that if an educational visit includes a residential stay or activities which could be described as potentially hazardous I will receive a letter with a consent or disclaimer form to complete and return. In any such case the school will seek my consent on each and every occasion.
- I consent to any emergency medical treatment necessary during the course of a visit.
