11th May 2020

Dear Parents and Carers

Further to yesterday's announcement from the Prime Minister regarding the possible steps to move the country forward from lockdown, it is still unclear as to when secondary schools may return.

We expect to receive further information from the Department of Education in the next couple of days so that we can make plans according to this guidance. In the meantime, the school is working on a number of things to improve the experience that children and parents have whilst working from home. These include improving the online provision, getting resources home to children and how we can increase the amount of one to one contact between school and home.

Please be assured that as soon as we have any new information, we will be in contact again to share this with you.

Although the announcement yesterday was disappointing in terms of its content for schools, I am sure that by us all working together we will get through this difficult time.

Kind regards

Take Care

Mr Alexander
Head of School
