

your route to success

Student profile

Name: Jacob

Previous School: Reigate

Subjects: Biology, Chemistry, Maths

What would you say to anyone thinking of doing the Gold Duke of Edinburgh's Award?

I think it's extremely worthwhile as there are many skills you develop in order to complete it. Not only do these skills make you a better, more independent person but they also make you a more attractive employee, greatly benefiting any career path.

What are your plans for the future?

I'm hoping to follow in my sister's footsteps and study Medicine at university.

“There are many skills you develop”
