Tell us about any College activities you've been involved in outside lessons

I joined an indie band which is something I'd always wanted to do. It was a perfect way to meet friends and to share a huge passion of mine with other students. In College we've performed at Battle of the Bands, at last year's Community Day and Leavers' Fest.

What are your plans for the future?

I'm hoping to go to university to study either Acting for Film or Film Production.
