# INTRODUCTION

This booklet has been produced in order to make the examination experience as stress-free and successful as possible. Hopefully you and your parents/carers will find it informative and helpful. Please read it through carefully and discuss it with your parents/carers so everyone involved are aware of the examination regulations and procedures to follow in the event of any problems occurring.

The awarding bodies and the Joint Council for Qualifications (JCQ) have strict criteria that have to be followed for the conduct of examinations and non-examination assessments and Reigate School must follow them precisely. Therefore please pay particular attention to the Notices to Candidates that are included in this booklet.

**If there are any questions that this booklet does not answer or if there is anything you do not understand, PLEASE ASK.**

Please remember, we are here to help.

# NON-EXAMINATION ASSESSMENTS

## Non-examination regulations

A copy of the JCQ regulations “Information for Candidates – Non-examination Assessments” which is issued by all the examining boards, is reproduced in this booklet.

## Candidate Declaration

All candidates must sign a declaration to confirm that the work they submit for assessment is their own unaided work. Awarding bodies will issue documentation for this purpose. If there is anything that you do not understand, you must ask your subject teacher.

## Malpractice

Candidates must not:

- submit work which is not their own;
- lend work to other candidates or allow candidates to copy their work;
- allow other candidates to have access to their own independently sourced material;
- assist other candidates to produce work;
- use books, the internet or other sources, passing them off as your own – **THIS IS PLAGARISM**;
- submit work that has been word processed by another person unless agreed as part of your Access Arrangement.

## Malpractice Penalties

If a breach of the regulations is discovered and malpractice is found by the awarding body after the candidate has signed the declaration, the awarding body will apply one of the following penalties:

- the piece of work will be awarded zero marks;
- the candidate will be disqualified from that unit/component for that examination series;
- the candidate will be disqualified from the whole subject for that examination series;
- the candidate will be disqualified from all subjects and barred from re-entering for a period of time.

## REMEMBER, JCQ REGULATIONS STATE;

**“the work which you submit for assessment must be your own”.**

**“you must not copy from someone else or allow another candidate to copy from you”.**
