MESSAGE FROM THE HEAD OF SCHOOL

This week I have been really impressed with the children's continuing engagement with their online classes and learning. We wanted to highlight some of the fantastic work completed in Art and Maths.

We have also included some wellbeing information on getting a good night's sleep whilst learning at home.

Stay safe and well.

Mr Alexander

MATHS LOCKDOWN CHALLENGES

Instead of the usual homework, the Math's Department challenged the children to be more creative with their Maths. Whether this was weighing and measuring ingredients to bake cakes, drawing impressive artwork, playing a game of cards or getting some exercise. We have really enjoyed seeing your creative side and look forward to seeing more of your pictures of your work over the coming weeks. Below are a few excellent examples of the work completed.

YEAR 8 MATHS

A huge well done to Mirabelle Cawkwell who has been fantastically helpful in each of her Maths live lessons by putting the links to the videos attached to Show My Homework in the live chat on Microsoft TEAMS for other children to use. She's also taken screenshots of the worksheets and put images of them in the chat so children who can't access them for whatever reason can see the questions and then do them! This has been extremely helpful and has allowed some children to do the work whereas otherwise they'd be unable to!

GCSE HISTORY REVISION

A Reigate History GCSE Quizlet has been created for Years 9,10 and 11 so they can use this regularly to revise knowledge for GCSE topics. Please use the link below to access the Quizlet.

Sleep and social media.

Sleep is important for everyone, it plays a big part in how we feel and the energy we have physically, mentally and emotionally.

A good night's sleep is important for our concentration levels and our ability to remember things. Sleep helps us to look at life more positively, make better decisions and aids creativity. A good night's sleep has positive impacts on our skin, physical and mental development, immune system, mental health and wellbeing.

There are some simple steps you can take to improve and ensure you are getting enough good quality sleep.

5 Steps to a Good Night's Sleep

1. Decide when you need to go to bed to get between 8-10 hours of sleep.
2. Turn your phone off an hour before you want to go to sleep.
3. Put your phone on charge in a different room to where you sleep.
4. Create a relaxing bedtime routine which doesn't involve screens.
5. Breathe, relax and sleep well.

It sounds simple but many teenagers (and adults) struggle to turn their phones off and have an hour of screen-free time before bedtime. Perhaps you don't feel tired, just like to have a quick look at your phone before you sleep or feel you'll miss out if you don't keep your phone on all night.

PARTNER SCHOOL ADMISSIONS 2021/22

East Surrey College and Reigate College are pleased to announce that for September 2021 applicants there will be one online application process for their Partner Schools – De Stafford School, Oakwood School, Reigate School and The Warwick School. This is for all full-time courses and apprenticeships.

Your son or daughter will receive information through their school in September 2020 which will enable them to apply to both Colleges online, whilst only filling in one application form which will be submitted to the relevant College(s). The Colleges will then request one reference from the school and arrange interview dates at one or both Colleges so that the pupils will be in a position to make a decision on which College to attend by January 2021.

The rationale for the one online application process is to make it easier for your son or daughter to apply to one or both Colleges on one online form without having to replicate information. It also allows the Colleges and schools to fulfil their legal obligations of tracking students to ensure all students are engaged in either education or work with training up to the age of 18.

The Colleges are looking forward to working with you and hope that the transition from school to College will be a smooth one. If you or your son or daughter have any queries about transition to College at 16+, please contact your Head of Year or Careers Advisor at school.

Apply online at www.sescas.org.uk

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

CAREERS

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events. Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
