MESSAGE FROM THE HEAD OF SCHOOL

This morning the Year 11s took part in their PSHE Life Skills Drop Down Workshop. The workshop went very well and we hope that the children found the information helpful. We have also created a PSHE Life Skills page on the school website and details of some of the information that can be accessed is included in this newsletter.

Next week Year 11 will be having their year group photo and the Children and Family Health Surrey Immunisation team will be in school for the Year 7 Flu nasal spray vaccinations.

Stay safe and well.

Mr Alexander

PARTNER SCHOOL ADMISSIONS 2021/22

East Surrey College and Reigate College are pleased to announce that for September 2021 applicants there will be one online application process for their Partner Schools – De Stafford School, Oakwood School, Reigate School and The Warwick School. This is for all full-time courses and apprenticeships.

Your son or daughter will receive information through their school in September 2020 which will enable them to apply to both Colleges online, whilst only filling in one application form which will be submitted to the relevant College(s). The Colleges will then request one reference from the school and arrange interview dates at one or both Colleges so that the pupils will be in a position to make a decision on which College to attend by January 2021.

The rationale for the one online application process is to make it easier for your son or daughter to apply to one or both Colleges on one online form without having to replicate information. It also allows the Colleges and schools to fulfil their legal obligations of tracking students to ensure all students are engaged in either education or work with training up to the age of 18.

The Colleges are looking forward to working with you and hope that the transition from school to College will be a smooth one. If you or your son or daughter have any queries about transition to College at 16+, please contact your Head of Year or Careers Advisor at school.

How do I apply?

- The quickest and easiest way to apply for a school place is online. Visit surreycc.gov.uk/admissions to access the application form and more information on the application process and admission arrangements for Surrey schools. It is important that you consider this information carefully when you make your application.
- You can start your online application any time from 1 September 2020 but you must have completed it by 31 October 2020. This is during the half term holiday so we would suggest you submit your application by Friday **23 October 2020**.
- You can download the app **ParentComms** to your mobile device to receive notifications about your application.
- Once you have submitted your application you will receive a confirmation email.
- On **1 March 2021** you will receive an email with the outcome of your application and, if you have registered for **ParentComms**, you will also receive a notification with the outcome.
- You will need to accept or decline your offer of a school place online by **15 March 2021**.

What else do I need to know?

- School open days will usually be held in September or October. Due to the Covid-19 pandemic, please check each school's website for the most up to date information about open days or evenings.
- You can name up to six schools on your application form, in the order that you prefer them. Where possible the local authority will allocate a place at one of these schools.
- Schools will not know where you have ranked them on the application form so the order of your preferences does not disadvantage you.
- The local authority has a duty to provide a place for your child but it does not have to be at one of your preferred schools.
- If you have an older child already at the school, you must still apply for a younger child.
- If you have more than one child applying for a school place, you must make a separate application for each of them.
- If you live in Surrey you must apply to Surrey, even if the schools you list are outside Surrey.
- Some schools may need you to submit a supplementary information form in addition to the application form. Find out more about supplementary information forms at surreycc.gov.uk/admissions.
- If you are registered for council tax you must supply the name of the borough or district and the council tax account number for the property where your child normally lives. Otherwise you will be asked to provide evidence of where your child lives.
- When applying online you must make sure that you press 'submit' at the end of your application and that you receive a confirmation email which sets out your preferences and confirms your application reference number.
- If you do not receive a confirmation email you should check your application to ensure its status has been changed to 'submitted'.
- If you write to us or submit information to support an application, remember to include your child's name, date of birth and application reference number (if you applied online).
- If your child has an education, health and care plan, there is a separate process and you will receive more information from your child's SEND Case Officer.

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>
