MESSAGE FROM THE HEAD OF SCHOOL

We are starting to feel more festive as we approach the last few weeks of term. Some of the doors in school have been decorated in a Christmas theme to mark the start of Advent. Next week the Christmas tree will arrive, Mr Baston and I will be judging the Year 7 decorated yule logs and on Friday 11th December it is Christmas Jumper Day.

Please ensure that your child remembers to bring their face mask into school each day as they are required to be worn in communal areas of the school.

Stay safe and well.

Mr Alexander

YEAR 7 JOULE ISLAND PROJECT

Joule Island is a remote island in the Pacific Ocean with no fossil fuels and the class had to think of ways to produce electricity from other sources.

Well done to all of 7RA who worked extremely hard over two lessons to produce AMAZING posters about renewable energy resources.

I am very proud of you all. Thank you.

Mrs Hudson

YEAR 7 ART LESSONS

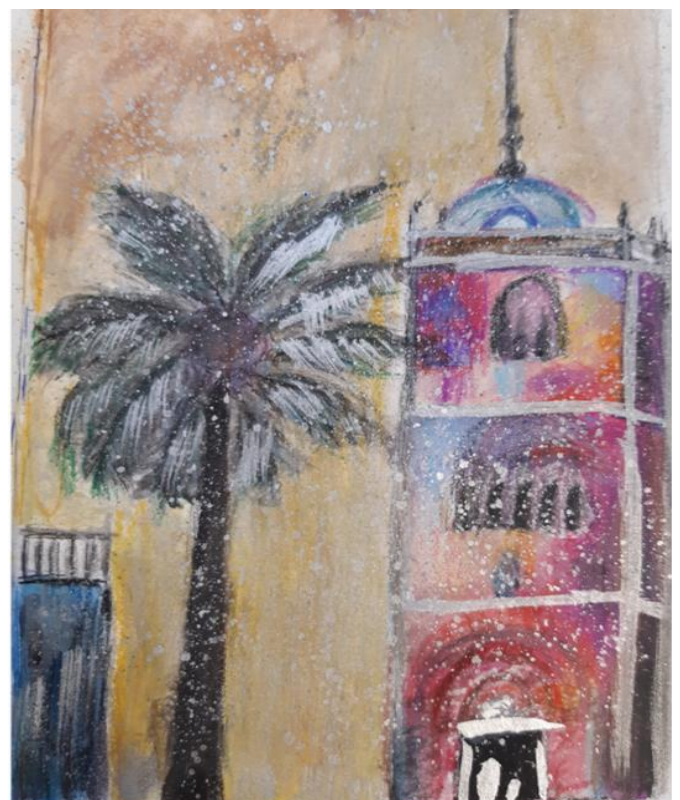

In Year 7 Art lessons this week we have been learning about colour theory. We have been using paints and oil pastels to mix secondary colours. Next week we will be using our colour knowledge and applying it to traditional African pattern designs.

ARTIST OF THE WEEK

POPPY JOHNSON

We discovered this little gem of a study in response to artist Emmie van Biervliet, tucked away in Poppy's sketchbook, such beautiful work! Too good not to be shared!

PARTNER SCHOOL COLLEGE ADMISSIONS 2021/2022

reigate.college

PARTNER SCHOOL ADMISSIONS 2021/22

East Surrey College and Reigate College are pleased to announce that for September 2021 applicants there will be one online application process for their Partner Schools – De Stafford School, Oakwood School, Reigate School and The Warwick School. This is for all full-time courses and apprenticeships.

Your son or daughter will receive information through their school in September 2020 which will enable them to apply to both Colleges online, whilst only filling in one application form which will be submitted to the relevant College(s). The Colleges will then request one reference from the school and arrange interview dates at one or both Colleges so that the pupils will be in a position to make a decision on which College to attend by January 2021.

The rationale for the one online application process is to make it easier for your son or daughter to apply to one or both Colleges on one online form without having to replicate information. It also allows the Colleges and schools to fulfil their legal obligations of tracking students to ensure all students are engaged in either education or work with training up to the age of 18.

The Colleges are looking forward to working with you and hope that the transition from school to College will be a smooth one. If you or your son or daughter have any queries about transition to College at 16+, please contact your Head of Year or Careers Advisor at school.

Apply online at www.sescas.org.uk

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>
