YEAR 11 GCSE EXAM NOTICE

The Government has recently set out plans for the Summer 2021 GCSEs. As there is a real possibility that some of our Year 11s may be forced to miss exams due to COVID-19, the following arrangements have been put in place:

- Should a candidate miss some, or all of the papers in a subject due to COVID-19 related illness or the need to self-isolate but have completed sufficient non-examined assessment, then they can still achieve a grade through the special consideration process.
- If a candidate misses all GCSE assessments in a subject due to COVID-19 related illness or the need to self-isolate and is unable to access the special consideration process, they will be eligible to sit a single contingency paper.

This will take place between 28th June 2021 and 17th July 2021 so all candidates will need to be available during this period.

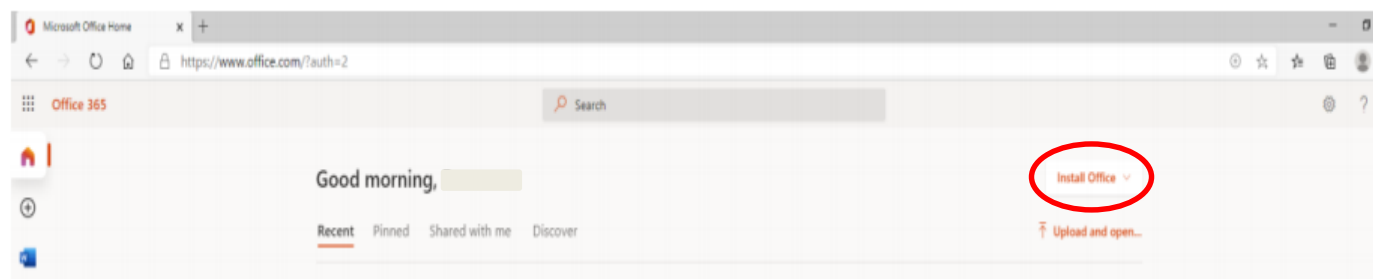

Candidates who miss exams due to COVID-19 will be expected to provide evidence to support this process.

PARTNER SCHOOL COLLEGE ADMISSIONS 2021/2022

PARTNER SCHOOL ADMISSIONS 2021/22

East Surrey College and Reigate College are pleased to announce that for September 2021 applicants there will be one online application process for their Partner Schools – De Stafford School, Oakwood School, Reigate School and The Warwick School. This is for all full-time courses and apprenticeships.

Your son or daughter will receive information through their school in September 2020 which will enable them to apply to both Colleges online, whilst only filling in one application form which will be submitted to the relevant College(s). The Colleges will then request one reference from the school and arrange interview dates at one or both Colleges so that the pupils will be in a position to make a decision on which College to attend by January 2021.

The rationale for the one online application process is to make it easier for your son or daughter to apply to one or both Colleges on one online form without having to replicate information. It also allows the Colleges and schools to fulfil their legal obligations of tracking students to ensure all students are engaged in either education or work with training up to the age of 18.

The Colleges are looking forward to working with you and hope that the transition from school to College will be a smooth one. If you or your son or daughter have any queries about transition to College at 16+, please contact your Head of Year or Careers Advisor at school.

Apply online at www.sescas.org.uk
