MESSAGE FROM THE HEAD OF SCHOOL

Year 11 parents and carers received an email this week regarding the revision classes we are offering for Year 11 the second week of the Easter break. If you have not received the email or if your child would like to book any of the sessions, please contact the school.

Don't forget the clocks go forward on Saturday evening for British Summer Time.

Stay safe and well.

Mr Alexander

SPOTLIGHT

YEAR 7

Vermilion Allan-Jones for her excellent presentation on 'fashion in the 20th century', for 'Teach Me Tuesday'.

Henry Jacques, Lara Graham and Amelia Nottage who did especially well in recent class History assessments.

YEAR 8

Poppy Mapherson and Olivia Thompson for always being so helpful in Art lessons.

Kristian Sadler for always putting 100% into PE

YEAR 9

Isabella Hicks, Sophia Ellis Rampertab, Eleni Davarias, Jessica Scriven and Emily Cobbin who did especially well in recent class History assessments.

YEAR 10

Kelcie Powell for doing an excellent job in her English essay.

Paris Watson for working hard in English and always asking the right questions.

Coco Matthewson and Faye Curtis who did especially well in recent class History assessments.

YEAR 11

Luis Alves for his resilience to keep going even when faced with challenging work.

Ben Rolaston for consistently performing to a high level over the past five years.

Adam Gatland and Robbie Davies for their outstanding efforts during lockdown and their perseverance to improve and do better.

Sofia Salsano for her outstanding year group assembly and being incredibly brave.

It has been an amazing week of science practical's for 7IWI and 7MGE. They filtered and evaporated sandy, salty water and also used microscopes for the first time to make an onion cell slide and look at specimens. Well done 7IWI and 7MGE for all being so keen and enthusiastic.

Mrs Hudson.

PSHE DROP DOWN WORKSHOPS

Our brand new, comprehensive Personal, Social, Health and Economic (PSHE) education programme, that launched in September, has been received positively by many children across all year groups and the dedicated team of Lifeskills staff delivering this bespoke provision.

To ensure our children receive a broad and balanced curriculum additional workshops are scheduled, for a full day this year, to supplement some key topic areas to include: drugs and alcohol, extremism, gang/knife crime and relationships and sex education (RSE*). These workshops will be in line with Government guidance, led by experienced, credible, external speakers and tailored to the needs of all children. Resources and workshop discussions will be age and developmentally appropriate. Workshops are planned to be delivered in person but if government restrictions don't allow for this, the sessions will go ahead remotely through a live presentation.

Prior to the workshops, the speakers leading them will host a parent webinar for you to join where you will learn more about the content of each workshop and have the opportunity to ask any questions. **We will send webinar sign-up details nearer the time.**

Drop down workshops – parent webinars

RSE*:

Led virtually by Amelia Jenkinson - Co-Founder & CEO, School of Sexuality Education

Drugs/Alcohol:

Led virtually by Fiona Spargo-Mabbs – Founder, Daniel Spargo Mabbs Foundation

ARTIST OF THE WEEK

WIKTORIA WOLEJKO

Wiktorina has been using acrylics for the first time this week. We love the thick brush marks. A huge well done to Wiktorina this is a fantastic experimental portrait.

LUCY BOND

Lucy Bond for her continued brilliant effort in Art this year. Well done on your recent homework researching Alexander McQueen digital prints.

This is my favorite design because it is bright and it is eye catching. I love the colours because it reminds me of jellyfish and sardines. It kind of reminds me of being down at the beach and that is something I haven't done in a long time.

RE ONLINE BLOG

The RE department are excited to be announcing the start of a new blog competition from RE: Online – a major national hub for teaching RE. Children and young people are invited to write a 500-word blog about why RE matters to them as a school subject. Winners could receive up to £20 in book vouchers, and any child from Reigate School who applies will be formally recognised as well. Your RE teacher will be happy to help you with your application.

To find out more, please check out the link below. **Closing date: March 31st 2021.**

You may have heard of National Citizen Service (NCS) before, either from your teen or from social media, some of you may have teens that have already signed up! Due to COVID-19, last year was a little different, but this year we are hoping to offer the same awesome programme we have always offered!

This is your teens chance to get back out into the world with their mates, get some new skills, make even more friends AND make a difference by getting their communities back on their feet.

We are following all Government guidelines with regards to COVID 19 to ensure that the programme is safe for all.

This years NCS summer will either be a 2 or 3 week programme, giving your teen the chance to gain independence, get out the house and stay away from home (Only on three week programme). Which, lets face it is much needed!

What are the benefits:

- It's only £50 for the entire programme, including transport and food for the first 2 phases (Bursaries are available)
- NCS enhances their CV's
- NCS enhances their college applications
- NCS is recognised by UCAS and will benefit their personal statements
- NCS improves confidence and offers skills essential for starting work
- Your teen can gain brand new skills and become more independent
- NCS allows your teen to volunteer to help worthy causes
- Allows them the chance to stay away from home

It's an exciting opportunity and not one to be missed. They can only do it whilst they are 16 or 17, so if they're looking for a new challenge or a chance to get out the house and make a difference, visit wearencs.com and register today, places are limited.

We are delighted to introduce **Let's all Talk Mental Health**.

Let's All Talk Mental Health is a **FREE** webinar series aimed at helping the parents, carers and educators of teenagers with mental health challenges to understand the issues, learn how to offer support and to find out more about routes to help.

With one-to-one interviews and Q & A's with leading experts, therapists and psychologists, Let's all Talk Mental Health aims to help with what can be one of the toughest roads to travel for anyone in this position.

Each week, resident expert, Clinical Psychologist, Dr Sarah-Jane Knight will be in conversation with other leading experts and ambassadors in the field to lift the lid on the complex challenges that caring for a young person with mental health difficulties can bring. Sarah-Jane has a wealth of experience dealing with adolescents through her professional relationship with secondary schools and her private practice, Commune Therapy.

What you can expect from **Let's All Talk Mental Health** webinars :

- Expert insight
- Practical advice
- Help to better understand the issues
- Tips to navigate the right routes to treatment

The **FREE** weekly webinars have a monthly theme and will be live every Monday night at 8pm.

Summer Term Brass Lessons – 10% off!

Dear Parent/Carer,

Surrey Arts are very pleased to offer your child the opportunity to learn a brass instrument through their school.

Our visiting brass teachers have a few spaces and are currently taking on new pupils at your child's school in readiness for the summer term. Schools have carefully organised their teaching rooms for us to give pupils a safe, sterile space in which to enjoy their brass lessons and music making.

We follow strict government instructions which keep everyone safe in lessons, and we are looking forward to returning to schools after Easter. If a school is not yet allowing visiting teachers on site, these lessons would begin online and then take place in school when everyone is ready.

We are pleased to offer a 10% discount off our usual lesson fees for your child's first 10 brass lessons.

We have also put together a youtube video in case you and your child would like to see and hear these instruments in more detail: <https://youtu.be/xKP0iKYs5Hs>

If you would like to take up this opportunity, please apply online at <http://www.surreycc.gov.uk/music> by Wednesday March 31st.

Instruments can be hired or purchased from local suppliers or hired directly through Surrey Arts subject to availability. The cost of hiring an instrument from us ranges from £28 to £34 per term, depending on the instrument and we would be more than happy to contact you with further information after receiving your application.

There are also several Surrey Arts ensembles and groups county-wide which would be available to further aid your child's musical development. We also offer the first term's membership to any of these groups free of charge, so that your child can join on a trial basis before deciding whether to commit longer term.

We look forward to hearing from you. If you have any questions relating to the above, please email our brass administrator, Sally White sally.white@surreycc.gov.uk and we will get back to you as quick as we can.

Best wishes

Carl

SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

CAREERS

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events. Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
