MESSAGE FROM THE HEAD OF SCHOOL

The Year 10 mock exams have gone well and we have had excellent attendance for the exams this week. The mocks continue into next week.

The children have been completing some great artwork again this week. I always look forward to seeing the amazing work the children have produced in the weekly newsletter and I hope you do too.

With the warmer weather we have experienced lately please may we ask that the children remember to bring in a water bottle.

Stay safe and well.

Mr Alexander

Real Teddies

I stood proudly at the finish line,
My opponents hadn't moved.
I was teofast for them,
I'd known that they would lose!

I jumped up in the air,
My fists burning in the sun,
That's when my brother called out,
"They're teddies they can't run!"

I stared at Mr Ted,
He seemed real to me!
What didn't my brother get?
What couldn't my brother see?

WHAT BRAC DID.....

Today I have lots to report about the nature at Earlswood Lakes. There were Mute Swans and their young, Moor Hens, Blackbirds, Mallards, Coots and even Great Crested Grebes! The water looked very inviting but I was not allowed to take a dip as it is very deep and not safe to just jump in! There were lots of people out running this morning, enjoying the sunshine. Lunch Duty in the Learning Base was also great. I learned a lot about other children's dogs including Spaniels and Labradors. I also learned that lots of children are really knowledgeable about what is safe/not safe for dogs to eat. I like to think I helped with making lunch duty a relaxing experience. Lots of people have said hello and commented on how calm I am. I love seeing everyone!

Have a wonderful weekend

MENTAL HEALTH CRISIS LINE

New Mental Health Crisis Line

A new 24/7 mental health crisis line for children, young people and their families and carers in Surrey has launched.

Surrey and Borders Partnership
NHS Foundation Trust

The freephone number - **0800 915 4644** – is available for children and young people up to the age of 18, including those with Special Educational Needs and Disability (SEND).

The new crisis line provides emotional wellbeing support, advice, and signposting to a range of community services for children, young people and their families and carers who are in a mental health crisis. The number is available to those who are already receiving mental health services, and also for those who are not. No referral is needed.

The crisis line is staffed by a team of experienced, trained call handlers and mental health nurses.

A key aim of the crisis line is to help support young people, carers and families within their own homes and in the community and, whenever possible, help avoid the need for children and young people to go to hospital in a crisis.
