YEAR 10 EAST SURREY COLLEGE TASTER DAY

Year 10 got to trial a variety of courses at East Surrey College on Thursday 1st July from Sport and Public Services, Travel and Aviation, Brickwork, Plumbing, Applied Science, Hair and Beauty and many more.

It was a great opportunity for the year group to have a taste of what college life would be like and experience the great facilities at East Surrey College.

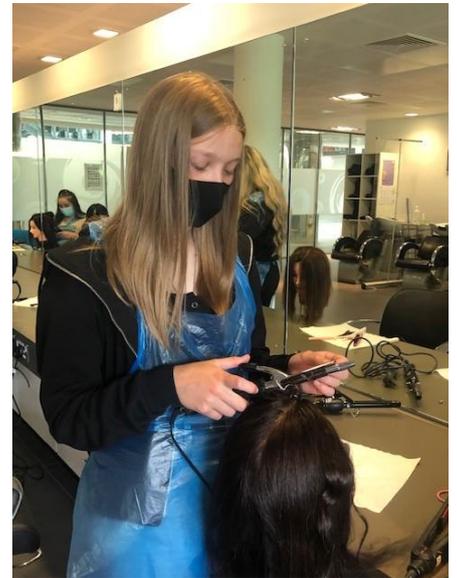

All the children behaved impeccably, with the School's Lead stating that they had been 'excellent' after he had received lots of positive feedback from the lecturers there.

All the children were fully engaged in lessons where they interacted well with staff and produced some great work!

It was a very proud moment as a Head of Year to see them working well and being independent. Some would say very much like young adults.

I look forward to the taster day at Reigate College on Tuesday 13th July to see some more outstanding pieces of work and to watch the children thrive in that environment.

WHAT BRAC DID.....

Hi Everyone

This week I have gone on wellbeing walks with some children around school, helping to cheer them up with my waggy tail and teddy bear fur (before the groomer takes it all away next week!). I have thoroughly enjoyed playing rounders – my skills have led me to have a new name: Brac the Backstop as I was so good at chasing after the ball. Mr Simmonds Dance was so impressed he even gave me my own mini Slazenger ball! Thank you sir.

MENTAL HEALTH CRISIS LINE

New Mental Health Crisis Line

A new 24/7 mental health crisis line for children, young people and their families and carers in Surrey has launched.

The freephone number - **0800 915 4644** – is available for children and young people up to the age of 18, including those with Special Educational Needs and Disability (SEND).

The new crisis line provides emotional wellbeing support, advice, and signposting to a range of community services for children, young people and their families and carers who are in a mental health crisis. The number is available to those who are already receiving mental health services, and also for those who are not. No referral is needed.

The crisis line is staffed by a team of experienced, trained call handlers and mental health nurses.

A key aim of the crisis line is to help support young people, carers and families within their own homes and in the community and, whenever possible, help avoid the need for children and young people to go to hospital in a crisis.
