## ONE HUNDRED HATS CHALLENGE

Before Easter 30 of our young carer children were invited to a morning meeting with Mrs Hartnett to get together for some breakfast and to meet our school science technician Dr Harris. We were lucky enough to see and even try on some of the hats that Dr Harris has been wearing for her '100 Hats Challenge'. There were some fantastic questions from the children. Dr Harris was able to tell us about what happens if your body gets too cold and which is her favourite hat, the children even gave Dr Harris some ideas for what she could wear in the coming weeks.

Dr Harris is completing the challenge in order to raise money for Surrey Young Carers and Alzheimer's Research UK . If you would like to make a donation then point your phone's camera on either of the two QR codes below and you should be directed to the relevant JustGiving page.

## PARIS TRIP

Over half term 38 children accompanied by Miss Salton, Miss Claydon, Mrs Carr and Mr Mee departed very early to Paris.

After a four-hour delay, we finally arrived at our hotel for a well-deserved meal and sleep.

The next morning after a good breakfast, we set off for a French lesson on the streets of Paris. The children learnt about directions, different food and flowers in the popular and beautiful cobblestone street of rue Cler. After “the best baguette sandwich”, as described by the children, we spent the afternoon in Montmartre, having a stroll among the numerous café and artists.

Our final stop was Théâtre Mogador, to watch the Disney's award-winning musical The Lion King. The show exploded with glorious colours, stunning effects and enchanting music and left us speechless.

On the next day, probably the most awaited day by the children, we spent all day in Disneyland Paris. We had access to both parks and we all had so much fun! Some of us didn't want to leave!

On Thursday, we first stopped at France's national Stadium, Stade de France. We followed the route taken by the greatest athletes, we wandered through the changing rooms and stroll alongside the pitch. The children were amazed to see Mbappe's and Pogba's football jersey.

We spent the start of our afternoon on a boat cruise and we spotted Notre Dame Cathedral, the Musee d'Orsay, the Eiffel Tower and the Louvre. After a really tasty Nutella crêpe, we went to The Montparnasse Tower. We were blown away by the 360° panoramic view of the whole of Paris.

On our last day, due to very strong wind and rain, we decided to go shopping in Calais.

Throughout the visit, the children were great company. We had an excellent trip together. All the children were outstanding, showing respect and interest even when they were getting tired. À bientôt Paris!"

Miss Salton

## SPORTS TOUR BARCELONA

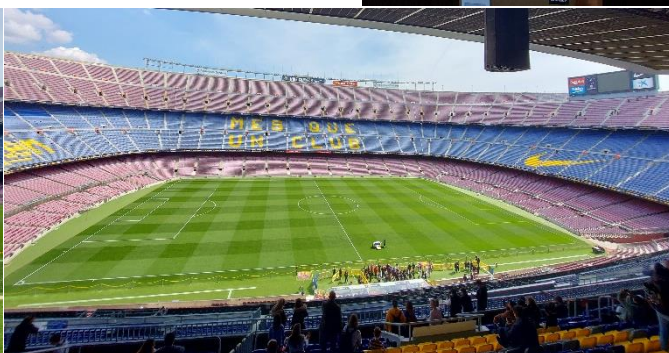

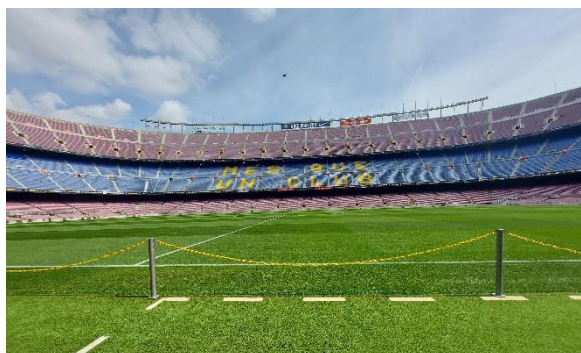

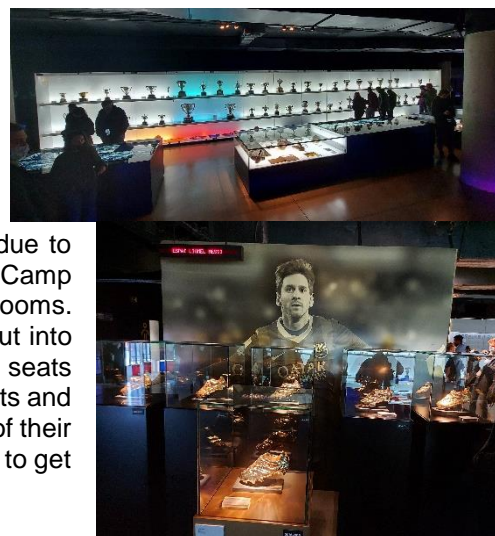

During the first week of the Easter holidays 39 children from Year 10 and 11 went to Spain on a sports tour. After arriving at Gatwick Airport at 5am there was a buzz from everyone of excitement and anticipation of what the week will bring us.

When we arrived in Barcelona we were whisked away to the Nou Camp for a tour of the stadium. Walking around the stadium the children were able to see

all of the trophies that Barcelona has won across the clubs history. There were also cases of golden boots and Ballon D'or balls which have been gifted to the club to show off to members of the public. The children were able to go into the away changing rooms but due to games being played during the week at the Nou Camp we couldn't get into the home changing rooms. However, when the children were able to get out into the stands to see the pitch and the number of seats

they were blown away by the size of it. The children were able to sit in the dug outs and a few were lucky enough to be given some grass off of the pitch as a keep sake of their trip. After we finished the tour around the Nou Camp we drove an hour and a half to get to the hotel, checked in and down to the beach.

During the week there was both football and netball training with different coaches. The boys were trained by Espanol coaches whilst the girls were trained by an ex Wales and Superleague netball franchise Bath coach, now at Surrey Storm netball. The coaching continued to develop what the children had learnt at school during the season.

On Wednesday afternoon the netball girls went off to play a competitive match against the International School of Barcelona. The game was split into 6x10 minutes with a constant rotational squad to allow everyone to have the opportunity to put into practice what they had completed in their training sessions on Tuesday and Wednesday morning. The game was tough and with a rotational squad it wasn't always easy to maintain the lead we had accumulated in the first quarter. The girls from the International School ranged from Year 9s all through until Year 13 and therefore it needed Reigate to raise our game to come away with the win. The final score was 29-27 with a nail biter of a final quarter.

Player of the match – Maya who played some fantastic netball and finished off with scoring great goals in her last match ever for Reigate School.

## SPORTS TOUR BARCELONA (Cont.)

On Wednesday evening the Year 10 and 11 football teams played a competitive match against CF Farners a local Spanish team. There were strong performances from both teams and the boys were able to put into practice their hard work and dedication to training from this season to work well together. The Year 11's were held to a 0-0 draw whilst the Year 10 football team were able to take a 1-0 lead through a penalty converted by Callum Humphry.

Player of the match— Year 11: Louis ; Year 10: Joel

On Thursday evening the Year 10 and 11 football teams faced tougher opponents in Palamos FC. Palamos had the home ground advantage and brought along with them a bigger crowd than the game before. However, this didn't faze the football teams and the Year 10 team rose above it. They had a fantastic game winning 5-2. Goals came from Matty x2, Zac, Callum who scored another penalty and an absolute screamer from Joel. However, the Year 11s weren't as lucky as they lost 4-1 with the only goal for Reigate coming from Jack. The boys put out a great performance and showed true resilience and character to keep going against a well organised and drilled Spanish side.

Player of the match – Year 11: Sam; Year 10: Matty

Throughout the whole trip the children showed everyone how truly wonderful and respectful children we have here at Reigate School. They trained really well and played some great games. It was a thoroughly enjoyable trip for everyone and despite being delayed slightly coming home everyone was ready for a good nights, undisturbed, sleep and we as a PE department are all looking forward to the next sports tour coming Easter 2024

## NEW YORK PERFORMING ARTS TRIP

What a wonderful, busy and exciting trip we had this year. With the many challenges of vaccinations and New York passes, we were relieved when we finally headed off to 'the city that never sleeps'. This was the fifth time that I had led this trip and with a change in role since September, it will probably be my last. The New York trip is definitely one which requires lots of energy as there is so much to pack in, but our highlights were:

Monday – Travel and New York tour on arrival stopping to look over to the Statue of Liberty and taking time to reflect at the 911 Memorial. Evening dinner at Bubba Gumps where our quiz winners were Kaitlyn and Mrs Parker!

Tuesday – All out of the Hotel at 7.45am for breakfast. We had a workshop with actress Angela Pierce, currently featuring in Manifest on Netflix. She had lots of

good advice about the industry and about performing skills. We learnt to say "Hey you, get out of here!" in a New York accent. Spiros and Holly were absolute stars and read

a scene that they hadn't seen before. From there we spent some time in Grand Central Station – what an amazing and beautiful building it is! The group then split, some went into the library where they saw Charles Dickens' desk, The Declaration of Independence documents and some of the earliest Shakespearean transcripts. The rest had some time in Times Square. After a quick lunch we headed onto The Ride, best described as the Karaoke Tour Bus where two actors and numerous street performers made for a memorable experience for us.

Our evening meal was at Margaritaville and at 9.15pm in the evening and with a very clear sky we had the best views of New York from the Empire State Building.

Wednesday – another early start and a Musical Theatre workshop with Nicole Van Giesen, one of the cast of Dear Evan Hanson. The group practiced the song You Will be Found and it sounded amazing. All of the staff had a few tears!

After this we headed down Fifth Avenue and enjoyed lunch in Central Park before heading back to the Top of The Rock for a daytime view over the city. It was time then to spruce up for an early dinner at the Hard Rock Café and off to see the show which everyone enjoyed.

Thursday – shopping!!! It became very clear that quite a few people were intent on finding Air Jordans and it was very difficult to find a pair! Well done to Spiros and Ellie Mae for managing to locate them and what a difference that made to their faces! I think that the children and staff probably visited most shops and definitely contributed significantly to the US economy.

In the evening we flew overnight and were back in school before midday on Friday, all fairly exhausted.

I enjoyed the trip as much as any of those before and the staff team of Mrs Parker, Mrs Salisbury and Mr Hamilton were great. We had a couple of tricky moments with luggage not arriving, sunglasses being left in restaurants, passports being left in the room but everything got sorted with the help of our lovely Equity rep, Matthew Jones. It was an absolute pleasure to be with the children. We must have walked about 35 miles in the days we were there, but we had the best time. Thank you to children, parents/carers and staff for making everything run so smoothly. It was an absolute pleasure.

Mrs Hill
