## DEAF AWARENESS WEEK

This year, Deaf Awareness Week is focussing on Inclusion Deafness. During Year 8 tutor time we discussed Deaf Awareness Week and the children learnt about what it is like to be deaf and had the opportunity to practice lip reading and finger spelling their names.

Deaf  
Awareness  
Week 2022

MAY 2-8

Because deafness is not a visible condition, deaf and hard of hearing individuals can feel misunderstood, unseen, invisible and isolated.

This Deaf awareness week we are focusing on **Inclusion Deafness**, to explore the entire theme of inclusion within our community. We will highlight the impact of hearing loss on everyday life and increase visibility and inclusion of Deaf people. We will emphasise importance of mental health in Deaf, and empathise with underrepresented groups amongst Deaf such as migrants, black, minority ethnic and women, as well as raise pertinent issues of deafness being overlooked in education, health settings and the workplace.

## WHAT BRAC DID.....

Hi Everyone!

It is National Mental Health Awareness Week this week. School assemblies have focused on reminding children how to support their well-being through self-help, self-structure (such as having a clear routine for evenings after school) and knowing how to seek further help when required. Don't forget the importance of the five ways to well-being. I'm definitely a big supporter of them: being active; keeping on learning; giving; taking notice and connecting.

Have a wonderful weekend pals. It's meant to be a great one weather-wise. Time to get out and enjoy the fresh air.

Brac

## DISTRICT SPORTS

Huge congratulations to the Year 9 and Year 10 Athletics squad who competed and represented Reigate School at the District Sports competition at the K2 in Crawley on Thursday 12<sup>th</sup> May. It was a great team performance and some excellent individual results. Full report and photos to follow in next week's newsletter.

## EXAM TIPS

### Exam Tips: Final messages

It is fitting that the final week before the GCSE examinations coincides with mental health awareness week. Looking after children's mental health is even more important during this stressful period of their lives. Below are some websites that provide techniques for being successful during the examination period and advice on looking after children's mental health. School is also always here to support the children if they are feeling anxious.

Good luck and wishing you all happiness and success both now and in the future.

## A MESSAGE FROM SWOTS

Unfortunately but I'm sure not unexpectedly, we will be reviewing all of our school uniform prices shortly.

We have already started to incur cost increases from all uniform suppliers of between 5-10% and we have increased costs of our own for things like utilities that everyone is experiencing at the moment.

However, we will do everything we can to minimise the impact to parents and carers

- Where we can, we will try to switch suppliers - if we can maintain or improve quality whilst maintaining prices - but opportunities are very limited at this stage of the season (stock buying for the summer started last November and is nearly all complete now).
- If we can afford to, we will try to limit increases to 5% but this might be difficult for some items that were already being subsidised.
- We will hold off increasing prices until 1<sup>st</sup> July 2022 (except summer uniform) even though our costs have already increased on most items. This will at least help with top-ups of current uniform and give "early birds" in June a chance to purchase next year's uniform at current prices.

### Thinking of Teaching? Why not spend a day in school.....

***“A teacher affects eternity; he can never tell where his influence stops” Henry Adams***

Each year, Reigate School takes on a number of **trainee teachers** to complete their placements. The main provider of these is the excellent i2i Teaching Partnership SCITT. i2i is based out of Weydon School in Farnham, with training hubs at Weydon School and Reigate School, and trains over 50 teachers across all curriculum subjects.

If you, or someone you know, is thinking about teaching but are perhaps not sure if it is the right career for you, the best thing you can do is to come into school, meet the teachers, trainees and students, observe some lessons and get a feel for school life.

i2i run an excellent **School Experience Programme** which offers the chance to observe teaching and pastoral work, and the opportunity to talk to teachers about day-to-day life in a school.
