YEAR 7 AND 8 ATHLETICS

On Thursday 26th May, the Year 7 and 8 boys athletics team competed at Warlingham School in a warm up District Athletics competition. It was a great opportunity for the team to practice their events in competitive situations and for some, the first time competing against other schools. The team were excellent and gave it their all in every event. They conducted themselves extremely well and demonstrated excellent teamwork, respect and sportsmanship. Stand out performances from Jack who won the Year 8 boys 300m and also to both relay teams who finished in 3rd place. Further results to follow when published.

Well done to all involved.

CALLING YOUNG PHOTOGRAPHERS (AGAIN!)

Mrs Knights needs your help to create an attractive and inspiring photographic display along the large noticeboards in the library stairwell.

As you might expect, the theme will be book-related and photographs should aim to promote an interest in books and reading. There will be **PRIZES** for the most outstanding entries and, as around 18 pictures are needed, children will have a very good chance of having their work displayed.

The Project:

Take a photograph of your favourite book in a setting you have devised yourself.

- The book could be arranged as a 'still life' with objects you have chosen around it.
- The objects could be associated with the book's story, have a particular meaning for you or simply be items you find attractive.
- Alternatively, the book could be part of a bigger scene outside - perhaps in an interesting location. It's up to you!

Competition Rules

- ✓ The photograph must be all your own work using the props you have available at home or school (i.e. no cutting and pasting backgrounds, images etc from the Internet!).
- ✓ The title and the front cover of the book must be clearly visible.
- ✓ No children or recognizable adults should appear in the picture (a distant crowd in the background, or similar, would be all right).
- ✓ An official entry form must be obtained from the library or the art department.
- ✓ No more than one photograph may be submitted per pupil.
- ✓ All entries must be supplied as a digital image by the closing date of **Monday, 11th July**.
- ✓ The decision of the judges will be final.

This would be a fantastic Half Term project: why not have a go?

On Monday 23rd May seven Year 8s were taken to Leatherhead and Dorking Gymnastics Club to attend an event run through Active Surrey in celebration of the Commonwealth Games in Birmingham this summer.

The children had a talk from a coach at the gymnastics club who has been to the Commonwealth Games three times, followed by a demonstration from a GB gymnast who showed off her skills on the asymmetric bars.

After that the children were given nearly an hour and a half to try lots of different equipment including the rings, parallel bars, beam, climbing ropes, trampolines, asymmetric bars, floor and the tumble run.

Three of our children showed the Commonwealth values of honesty, respect and determination and were given a gold medal for their effort throughout the afternoon. A special mention must go to Natasha who was given the determination award as she struggled to complete some of the tasks at the beginning but persevered, showed resilience and gave everything a go. She didn't stop trying and listened to all the feedback the coaches gave to her. By the end of the afternoon it was hard to get her off of the equipment as she wanted to keep having a go as she was enjoying herself so much. True Reigate School and Commonwealth values shown so well done!

We hope that the children had a great time and it inspired them to continue doing some physical gymnastic activities beyond this fantastic experience.

Thinking of Teaching? Why not spend a day in school.....

“A teacher affects eternity; he can never tell where his influence stops” Henry Adams

Each year, Reigate School takes on a number of **trainee teachers** to complete their placements. The main provider of these is the excellent i2i Teaching Partnership SCITT. i2i is based out of Weydon School in Farnham, with training hubs at Weydon School and Reigate School, and trains over 50 teachers across all curriculum subjects.

If you, or someone you know, is thinking about teaching but are perhaps not sure if it is the right career for you, the best thing you can do is to come into school, meet the teachers, trainees and students, observe some lessons and get a feel for school life.

i2i run an excellent **School Experience Programme** which offers the chance to observe teaching and pastoral work, and the opportunity to talk to teachers about day-to-day life in a school. To find out more about the programme and book a place, please contact Tammy Cresswell (tcresswell@i2ipartnership.co.uk). Further information is available on the i2i website <https://www.i2ipartnership.co.uk/>
