YEAR 7

Alfie Johnson for his commitment to catching up and completing his homework! He is attending homework club after school and comes with a huge smile, a positive attitude and the determination to do his best and achieve the success he deserves. Fantastic work Alfie, well done!

YEAR 8

Callum Jones and Griffin McGrath for their resilience. Boris Borisov and Elizabeth Gardner for their continued hard work in French. Unfortunately, there was an error made in the report regarding the Active Surrey Trip in the previous newsletter. It was Francesca Atherfold who showed the Commonwealth values at this event. We apologise for any confusion or upset this may have caused.

Ben O'Reilly for being the only person to recognise the song played in 'Heardle'. Maddy Haymes for always following the school values and for getting numerous achievement points this week. Frankie Lynn for organising sports day teams! Tamia Quantick for a beautiful monochrome portrait of her friend. Well done Tamia! Poppy Scott for consistently trying hard and excellent behaviour day in, day out. Zaine Brathwaite for being selected for an interview for a house leadership role. Emma Dewar-Smith for volunteering to organise our girls sports day team. Alisha Adam who has over 350 achievement points. A massive total! Well done Alisha!

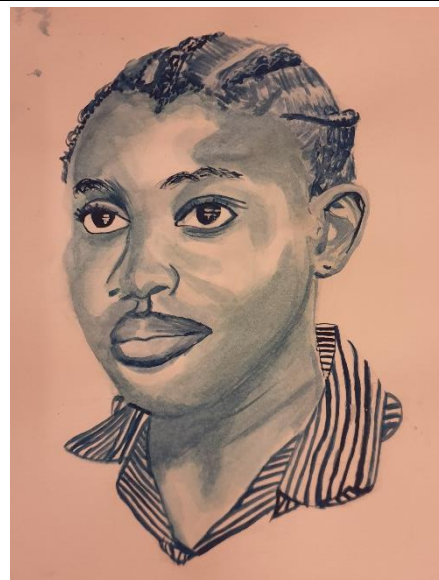

YEAR 10

Lily Stanton for excellent motivation.

ARTIST OF THE WEEK

TAMIA QUANTICK

Tamia has made this beautiful study of her friend. Tamia has been focusing on working on a large scale and in acrylic paint with an attempt to capture light and texture. A super achievement, well done!

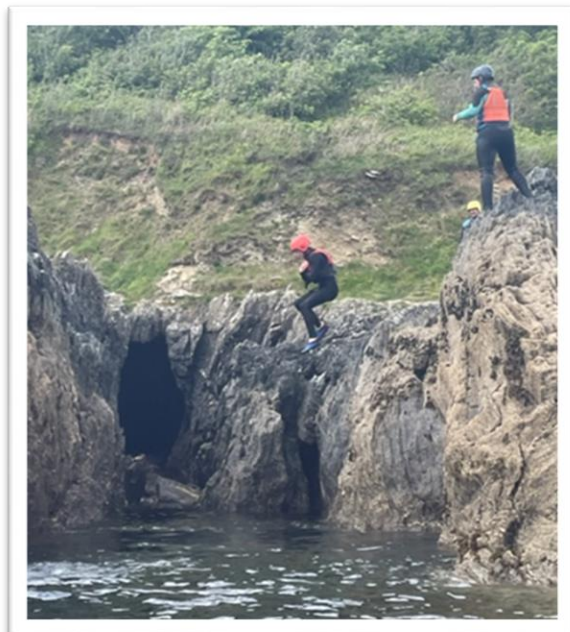

NEWQUAY TRIP 2022

During half term, we had the pleasure of taking 63 Year 8s to Newquay for the annual watersports trip. After a very smooth trip down to Cornwall we kick started the activities with some Body Boarding and Surfing on Fistral Beach. The sun shone all afternoon and after an early start you would have thought that the children would have welcomed an early night!! I think the adrenaline of the day and excitement for some who had not been away from home before kicked in and they finally fell asleep at around 10pm.

A 7.30am knock on the door woke the children to another beautiful day, this time to Porthtowan Beach that was about an hour away. The sea was great for Body Boarding as the waves were 'messy', however this proved much trickier when trying to stand up on a surfboard. All the children did incredibly well though and persevered with some success! Once we got back to the hotel we had a lovely dinner and went down to the beach for some games and chill time. They were still so energetic!!

Wednesday met us with a wakeup call consisting of some teachers trying to sing 'Everybody's Going Surfing' and some cloud. After a hearty three-course breakfast we jumped on the coach again to Swanpool Beach where we took part in some Coasteering, Paddle Boarding, Sailing and Kayaking!

The children were incredibly brave when it came to jumping off rocks into the sea, and although they were very cold, they all put everything into the experience and seemed to thoroughly enjoy themselves. There were some excellent games being played on the giant paddle board and kayaks and the sun finally came out early afternoon, similarly to Mr Brown coming out of his kayak! Again we popped to the beach for a couple of hours in the evening where it was so lovely watching the children play on the beach. Lights out was definitely getting a little bit quieter by this point!

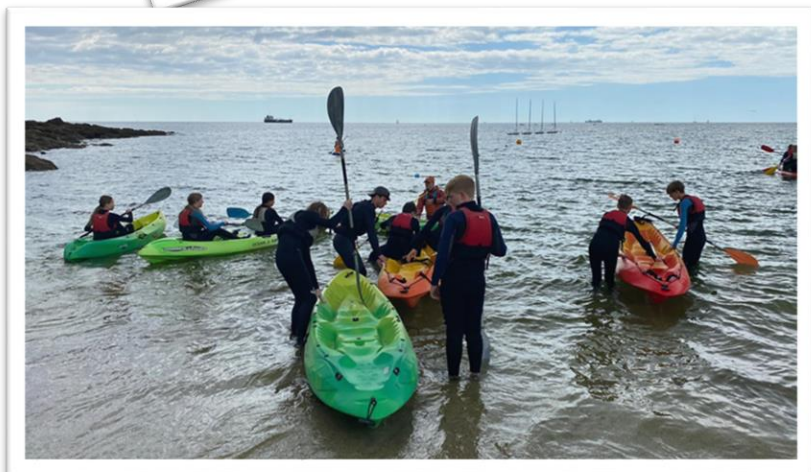

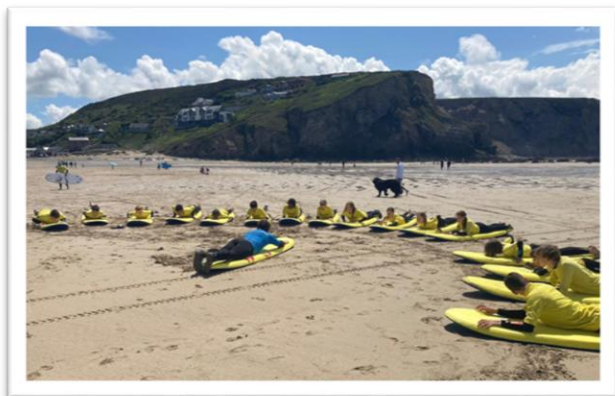

Thursday was our last day and probably the warmest. It was another trip down to Fistral Beach in the morning for some more surfing. The waves were a lot kinder to the surfers this time but unfortunately, no good for body boarding, therefore the team put on some great beach games instead. Back to the hotel for a traditional Cornish Pasty before we headed home on the coach. The journey was definitely a lot quieter on the way home!

I must say, all the children were amazing! From taking part in every activity, enjoying every challenge as well as their behaviour, it made our jobs so much easier as teachers and allowed us to have the best four days away in the sun.

Thank you to all of the staff who gave up their time to allow the trip to run so smoothly. Mr Brown, Mrs Chevalier, Mrs Parker, Mr Emerson, Mr Hamilton and Mr Miles.

There will be another Newquay trip going for the current Year 7s the same time next year so please keep an eye out for notices regarding this.

Mrs Corder

WATERSPORTS

Our first session got off to a great start with all children ready on time and excited to depart. After locating the changing rooms and a talk with the lead instructors we headed over to get kitted out with our wetsuits and buoyancy aids. It took a couple of changes for some but we all managed to get them on without too much of an effort! This is no mean feat.

We then split into our activity groups for a briefing before getting on the water. Those doing dinghy and windsurfing got the power boats out to pontoons further away. The kayakers got straight in on the action, sliding in from the pontoon.

The weather stayed dry for those of us on land, and for those of us who managed to avoid falling in. A few of us weren't so lucky and were in the cold lake within minutes! Others decided to fall in on purpose - crazy people!

It was a session of learning the basics and getting used to being on the water. Everyone came out with a smile on their face and hopefully looking forward to the session next week. Well done to you all!

Thank you to all parents and carers who came to watch. It was lovely to see so many of you. You are always welcome! Please may we ask that if you are taking your child home with you that you inform a member of staff before you leave.

Please remind the children to bring some shoes they can wear in the water next week.

Mrs Jones

YEAR 8 CRICKET

The Year 8 cricket team travelled to Riddlesdown Collegiate in the second round of the Surrey County Cup following their excellent first win round over Oakwood School.

Reigate lost the toss and was forced to bat first. We lost a wicket early on that saw Josh dismissed but managed to steady the ship after for the next few overs. Fred came in and retired on 30 after an excellent batting display hitting four 4s and a 6, mopping up with a few singles here and there. Syed came in and scored 8 before being bowled out.

Sam in at 5 to replace him and shortly after Fred's retirement Jack was caught out. Ted was in and out within a couple of overs scoring 10. Ben arrived on the scene, who miraculously scored 23 runs. Along with Sam's 25 and a few extras here and there Reigate finished their innings 124-4.

Riddlesdown came in and started off well with their opening batsmen scoring 59 runs in the first half of the innings, very much on pace to chase us down. One of the opening batsman retired and then the wickets started to flow. We took 3 wickets in 3 overs with some excellent bowling and fielding on display. From there the wickets started to fall and Riddlesdown finished on a very respectable 103-9. Reigate is through to the next round of the Surrey County Cup.

Wickets from:

Sam x2

George x2

Rooshan x2

Dylan x1

Ben x1

(Batsman 1 retired)

Player of the Match: Fred for an excellent batting display retiring on 30 runs.

Thinking of Teaching? Why not spend a day in school.....

“A teacher affects eternity; he can never tell where his influence stops” Henry Adams

Each year, Reigate School takes on a number of ***trainee teachers*** to complete their placements. The main provider of these is the excellent i2i Teaching Partnership SCITT. i2i is based out of Weydon School in Farnham, with training hubs at Weydon School and Reigate School, and trains over 50 teachers across all curriculum subjects.

If you, or someone you know, is thinking about teaching but are perhaps not sure if it is the right career for you, the best thing you can do is to come into school, meet the teachers, trainees and students, observe some lessons and get a feel for school life.

i2i run an excellent ***School Experience Programme*** which offers the chance to observe teaching and pastoral work, and the opportunity to talk to teachers about day-to-day life in a school. To find out more about the programme and book a place, please contact Tammy Cresswell (tcresswell@i2ipartnership.co.uk).
