MESSAGE FROM THE HEADTEACHER

As a mark of respect during the period of National Mourning communications from school were kept to essential information only. As this is the first newsletter this term we have ensured that any reports and achievements from the past couple of weeks have been included in this newsletter.

On Tuesday 6th September, all children and staff were given their House badge. The children opened their envelopes in form time creating great excitement to find out which House they were assigned. Details of the new House system and House names are in this newsletter and next Friday we have our House launch event in school with various activities planned for the children to earn points for their House.

On Thursday 6th October we will have our annual Open Evening for prospective children and parents/carers to view the school. The Opening Evening is our biggest event of the year, therefore to enable staff to ready their departments we have an early closure of 12:25pm on this day. Friday 7th is an INSET training day for the staff so school will be closed to the children

Enjoy the weekend.

Mr Alexander

Introducing the new Reigate School Houses

This term we have introduced Houses where children can earn points for their House teams by gaining achievement points and taking part in various activities. The four Houses are:

Curie ~ Turing ~ Parks ~ Attenborough

On Tuesday 6th September all children and staff were presented with a House badge. There was excitement for all to find out which House they had been assigned.

We are very much looking forward to our House launch event which due to postponement is now taking place on Friday 30th September. We have planned various activities for the children to take part in to earn points for their House. The activities themselves are under wraps but the children should wear their Reigate School PE kit on Friday with the option of substituting the polo shirt with a top depicting their house colour (shown above) should they have one or an appropriate coloured 'sports' accessory i.e. hat, sweat band, socks. More information about the launch event will be in next week's newsletter.

WHAT BRAC DID

Welcome back pals. I hope you have all had a lovely, relaxing break and are ready for the Autumn! I am very excited about the House system. I'm in Turing House – the master of problem solving - a bit like a terrier. I'm looking forward to winning points for Turing House and knowing that connecting with others in events, learning new things, giving of my time and being active will help everyone's well-being including my own. Have a great weekend!

GCSE KAYAKING

It was an early start ready for the long drive to Richmond for us all. We were soon introduced to Chris, our leader for the course, who got us started with some simple theory. Zaine and Matty spent more time showing their knowledge than others initially, but everyone had an input as they got warmed up.

With wetsuits and buoyancy aids on we chose our boats and paddles and got on the water. Initially, some struggled to move in a straight line whilst others such as Matty, Kye and Sophie, showed a smooth, effortless action. Techniques were adapted throughout the morning and Dominic's skeg adjusted which made a huge difference.

After lunch we got onto filming the launching and disembarking. This made for many giggles. Nevertheless, everyone persevered to get good quality evidence.

The biggest test of day one was definitely the timed two laps, a taster of the long journey 3k paddle. All managed it well, despite a few injuries and aches coming out.

It was a hard day's work rewarded with some fun on the kayak slide to finish the day.

Day two was a much more sombre start. Tired people and aching muscles made for a quiet minibus trip. We had a quick theory recap and got in the water to warm up and work on technique. Peer feedback was useful as well as individual help from Chris. A few people had their boats tweaked ready for the dreaded 3k paddle. They all completed it, with some working through the pain and others thinking they could do it again. Great effort and resilience. Over lunch someone suggested they could probably kayak across the English Channel now!

The final afternoon was spent finishing video evidence for carrying and towing and perfecting other videos they weren't happy with. The sun came out in time for us to enjoy some time playing on the paddle boards at the end of the session and get a slightly earlier finish.

The children should be extremely proud of themselves. They all worked so hard to get the best possible grades. Well done!

SWIMMING GALA

On Wednesday 14th September our inter and senior swimmers headed to Caterham School for our first gala of the season. Only five swimmers in total but they did brilliantly to compete against some children three years older and ten times as big.

We need more Year 10 and 11 swimmers to join our team!

If you are interested in becoming a member of the swimming team please see Mrs Jones.

YEAR 9 CRICKET

On Thursday 15th September Year 9 played against Gordon's School at Salfords CC

After a strong season last summer the Year 8 team made it to the final of the County Cup Plate competition. This involves all the best teams from the state schools in Surrey, making it a great achievement to reach the final.

Due to fixture congestion, this match was played after the summer holidays at Salfords CC on what was slightly damp conditions and a tricky wicket to bat on. Having lost the toss we were put into bat on a green wicket with lots of uneven bounce. The Gordon's School bowling attack was absolutely outstanding with no weaknesses, they all bowled with disciplined lines and length making it very difficult to score. Our only players to reach double figures were Sam White and Joshua Campbell, both scoring 10 runs in a total of 52 all out of just 15 overs. Many of our batsman struggled to judge how to bat in these conditions, with many thinking we needed to be more attacking and get a score of 100 runs or more, when actually a score of around 80 runs would have been competitive.

Our performance in the field was excellent, with Ryandeep Bhole (1-8) and Bella Barton (0-8) bowling a tight opening 6 overs, going for just 16 runs and Ryan picking up a wicket. However, the introduction of spin started to make a difference with George Ross (2-18) and Sam White (2-7) both picking up key wickets in their top order. Harry Ward picked up two excellent run outs, one with a direct hit, leaving Gordon's nervous on 42-7. However, a lower order batsman came in to score two quick boundaries to take the game away from us. A few more runs on the board in the first innings could have been the difference.

This is the first game I have taken with the team as Mr Webb took them last year, despite losing I was extremely impressed with the whole attitude of the team throughout and the fighting spirit shown in the second innings. I look forward to seeing more of them play over the next couple of years and hopefully take home the silverware!

Mr Strachan

OTHER NEWS

Well done to Gabe Martin, who has along with some other children from Reigate School, been selected to represent SETA (South England Touch Rugby Association) and play in the Junior National Tournament in Nottingham, representing the U14's Sharks Team (county level).

OTHER NEWS

On Friday 19th August, Bella Barton and the U13 girls Reigate Priory T20 Cricket Team went to the National Finals competition in Chester. The team played excellently and won! They are National Champions and the team is the best club team in the country at their age group. This is a huge achievement, not just for Reigate Cricket Club but also for girls cricket in general. Well done!
