## YEAR 7 SCIENCE

Our Year 7 scientists produced some fantastically detailed and technical drawings of cells in science this term. It was hard to choose between many of the entries to our 7TC class competition, but Neve, Rafaella, Reggie and Katherine all received science department postcards home for some particularly impressive efforts.

We're hoping to see this level of skill carry through into some excellent GCSE biologists in the coming years.

## HOUSE BOARD GAME CHAMPIONSHIP

20 children battled it out for the Championship. A variety of game types were covered with a rule of no games that rely mainly on luck!

Parks started strongly with a win in UNO hotly contested by a valiant Turing team. Hare and Tortoise came in next with Turing taking the big points and Parks picking up the 2<sup>nd</sup>. Men at work (a balancing game) saw a first win for Curie closely followed by the mighty Turing. After this Turing crushed it in all the games including a Love Letter game finishing in an unheard of one round. A slight blip with Rhino Hero which saw Turing crashing down to 2<sup>nd</sup> for Parks to take another win. Then back to Go Nuts for Doughnuts and Camel Up where Turing went back to their rightful place.

Results for all games are below;

	House

## SINGING EXAMS

I was delighted with seven of our children who recently took their London College of Music Exams at Dunottar School.

Distinctions were awarded to Amelia Buckley Grade 5 and Orla Marsh Grade 6. All of the other candidates received Merits.

I am so proud of all the children but wanted to give a special mention to Raven Cheung who only started lessons with me last year and achieved a Merit for Grade 8 Popular Singing. Well done! to all of the children and thank you to Dunottar School for allowing us access to their amazing theatre. It was a great experience! Our next session of exams will be in the summer term.

Mrs Dann

## DANCE SHOW

On Thursday 23<sup>rd</sup> March 97 Reigate School dancers and 122 primary children from across the Trust joined together in an evening celebration of dance at The Harlequin Theatre in Redhill.

All Year 11s performed their exam pieces and the show was supported by dancers from all secondary year groups who all performed brilliantly.

Five Greensand primary schools were invited to perform and they showcased such talent and enthusiasm throughout the evening. The show's theme of connection was fitting for such an occasion.

## OTHER NEWS

Congratulations to Henry, Jaydel and Matthew who, along with their team from Old Reigatian RFC U16s, won the Surrey Rugby Quins Cup Stoop Shield last weekend. Well done!

## BRAC

Hey Pals

Just checking in before the Spring break.

The days are getting warmer and lighter now so I am really looking forward to getting out more and hoping there will be some sunny days. Do make sure you use the five ways to wellbeing especially to get some exercise.

I have also heard lots of talk about chocolate gifts at this time of year but I'm not allowed to eat chocolate as it is dangerous to dogs so I will be practising the way to wellbeing of giving by giving lots of special waggy tail Brac welcomes – these seems to make people very happy.

I am off on a Welsh Terrier ramble this weekend so will also be enjoying meeting up with my friends from across the country and making the best use of the way to wellbeing of connecting.

I hope you all have a relaxing and fun break.

Bye for now pals!

Brac

## Surrey Youth Games by Natasha (Y9)

### Why I took part in the Surrey Youth Games last year?

I wanted to keep active throughout the summer. I had enjoyed learning and playing basketball at school. So I decided to try Street Basketball, it was a great experience and learning new skills from a professional coach. At the end of the training weeks I went on to play at the Surrey Sports Park in Guildford and represented Reigate and Banstead against other Surrey Counties. It was great fun to show off my new skills in match play and meet new people. At the end of the day all players received sport equipment to help continue playing basketball in the future.

### What is the Surrey Youth Games?

The Specsavers Surrey Youth Games takes place between April and June, and brings together 7 to 16 year olds from across Surrey who often don't have access to sporting opportunities.

The Games are firmly aimed at beginners who might not otherwise get the chance to attend clubs and are put off by the thought of competing against others or just want to try a new sport. The focus of the activity training sessions and the final Games event is **joining in, having a go and having fun.**

It is **FREE**, you received professional coaching – so why not try a new sport:

Y8-Y9 - Street Basketball  
Y7-Y9 – Girls Rugby  
Y7-Y11 – Boxing  
Y9-Y11 – Go Tri
