### MESSAGE FROM THE HEADTEACHER

Last weekend a number of our CCF Cadets participated in various events to commemorate Remembrance Day. On Saturday they marched in the Lord Mayor's Show in London and on Sunday they represented Reigate School in a Remembrance Parade at Shaw's Corner. A report is in this week's newsletter. Well done to all of the cadets, Reigate School are very proud.

Today the children are wearing odd socks with their school uniform in support of Anti-Bullying Week 2023. Odd Socks Day is an opportunity for children to express themselves, highlight that we are all unique and to celebrate difference. We will share more information and some of the pictures in next week's newsletter.

Have a great weekend

Mr Alexander

Well done to Clyde Huggett, Cayden Addison and Maddy Haymes for working particularly hard with their Travel and Tourism coursework. Zoe Smith for her quality of language in her Physics mock. Oliver Gribble, Ethan Lay and Joe Wilby for their outstanding Computer Science mock exam grades.

## SCHOOL PHOTOGRAPHS

The original copies of the Year 7, Year 9 and Year 11 school photographs have arrived. If you ordered a photograph and arranged for it to be delivered to school please ask your child to come and collect their photograph from Student Services.

## SPIRITUAL, MORAL, SOCIAL AND CULTURAL EDUCATION

This week we have been celebrating our diversity, focussing on developing our awareness of what makes us different and unique. As part of Anti-Bullying Week, children and staff have proudly been wearing our odd socks to Make A Noise About Bullying.

## CCF

Well done to all our amazing CCF cadets who took part in one or more of last week's Remembrance Events. On Friday 10<sup>th</sup> November we took 16 cadets to Reigate Grammar School for a school Remembrance Service. Saturday 11<sup>th</sup> November saw eight hardy cadets stepping out in the Lord Mayor's Show, proudly marching behind the Reigate Grammar School Corps of Drums through the streets of London (and even a short appearance on the BBC!) – what a brilliant day that was having the opportunity to be a part of such a prestigious national event, despite very tired legs at the end of the day!

Finally another eight cadets represented Reigate School at the Remembrance Parade at Shaw's Corner on Sunday 12<sup>th</sup> November along with other local groups and veterans, a very important event in the cadet calendar. These children are a real credit to themselves and our school. Three Cheers cadets, we couldn't be more proud!

Mrs Parsons

## YEAR 7 TRIP TO KIDZANIA

Kidzania – a city for children run by children!

A train trip up to Shepherd's Bush to visit Kidzania was experienced this week by a group of Year 7 children. This amazing place gave them the opportunity to try working in many different careers. These included, a hospital, a florist, a vet, a clothes shop, a bank, a hotel, a garage, and an art studio. They could also try presenting a TV programme or a radio show, fly a plane or become a secret agent. Whilst working in the fire service they had to extinguish a fire in the hotel using hoses. They had to solve a crime while working in the police and forensics and had to deal with a casualty when working with the ambulance crew.

Everything they tried was made as real as possible and as it was Kidzania's Careers Festival they also had the opportunity to speak to people who did these jobs in their real lives.

After four hours of working hard and earning Kidzania money everyone was ready to head home.

It was a fabulous day and gave the children ideas and aspirations of what they may like to do in the future.

Mrs Grew  
Careers Officer

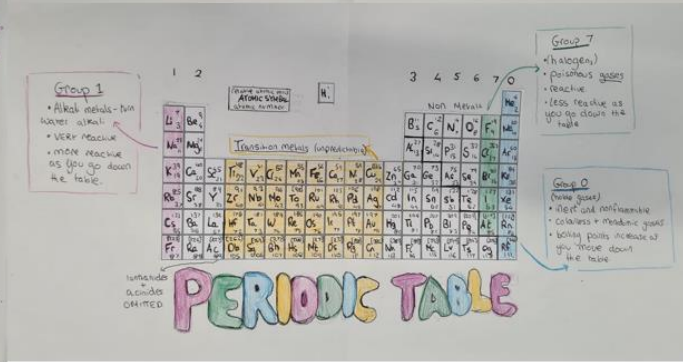

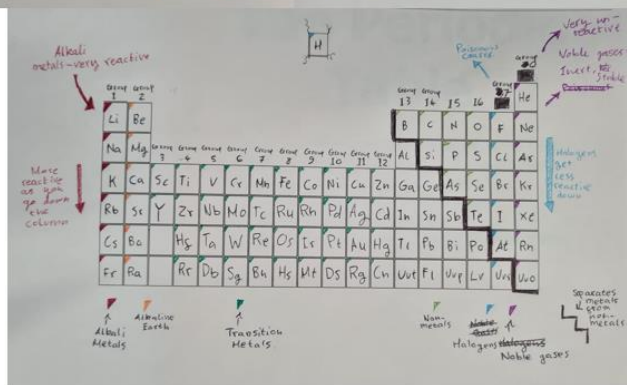

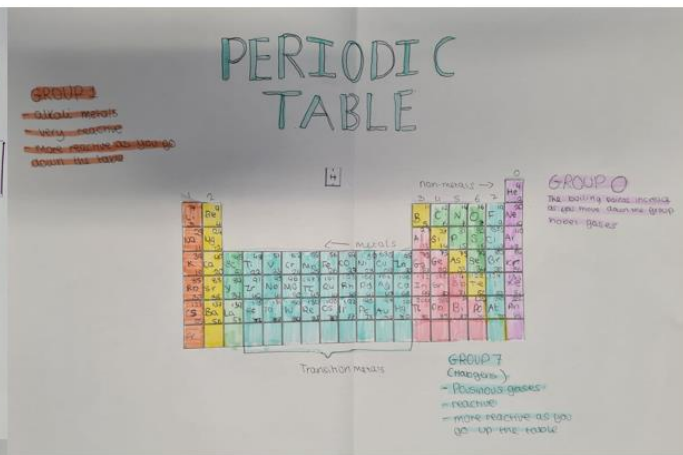

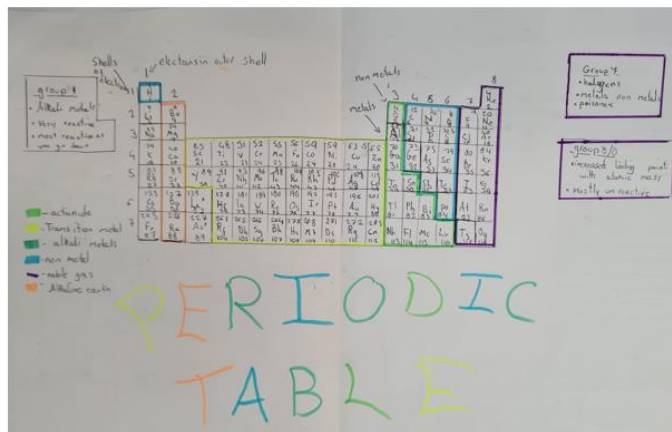

## YEAR 9 CHEMISTRY

Year 9 Chemistry classes have been learning about the history of the periodic table and how it helps us to understand the properties of elements. They produced posters explaining some of the groups and properties to help them build a strong foundation for their GCSE Chemistry course.

Some great examples from Esme, Lewis, Ellieanna and Nikolai were among many well produced posters from across the 9SB class. Well done.

## YEAR 10 FOOTBALL

In an exciting clash at Carrington School's Year 10 football tournament on Tuesday 14<sup>th</sup> November, the Reigate School Year 10 A team, faced off against the Year 9 B team. Tilly showcased her prowess as the top goal scorer, netting an impressive six goals for the A team, while Annabelle led the charge for the B team.

Solid defensive efforts were evident from Loretta and Elissia, thwarting the opposing attacks. Meanwhile, Bella and Betsy showcased great attacking play, adding flair to the A team's performance.

The B team, despite facing tough competition, secured a commendable 4<sup>th</sup> place, reflecting their resilience. On the other hand, the A team clinched a well-deserved 2<sup>nd</sup> place, highlighting their skill and teamwork. Overall, it was a fantastic display of talent and teamwork from both squads, making the tournament a memorable event for all involved.

Mrs Corder

## YEAR 9 NETBALL

On Thursday 16<sup>th</sup> November there was some fantastic netball on display at the Year 9 District Netball Tournament hosted at the Royal Alexandra and Albert School. The B team played some of their best netball in their first game against Carrington School. They dominated the possession and consistent shooting from Freya (c) led to a 5-2 win! They took that success into their 2<sup>nd</sup> game against Merstham Park School and won 2-1 with some excellent defence in the circle from Tehya!

They came unstuck in their 3<sup>rd</sup> game against a confident RAAS team losing 0-2 and then narrowly lost to de Stafford School 1-2 with Cami and Freya in possession of the ball in our circle when the final whistle blew which was frustrating. The girls played so well and showed so much progress from their Year 8 tournament. Reigate B team finished 3<sup>rd</sup> overall! Well done girls!

Player of the Tournament - Freya

The A team had a great start to their campaign going 1-0 up in seconds against Woldingham School. Three more goals were soon added by Bella and Maia. Iris and Esme worked hard in defence to keep the ball out, keeping our conceded goals to just 1. Game two brought us another victory, this time against RAAS. A tremendous start with an interception on RAAS's first centre pass, leading to another early goal for us. The ball then stayed in our defensive third for much of the game. One transitional attack and another goal for us. Our final goal was a slightly short pass, making Bella work hard to reach over the GK to snatch the ball and score. 3-0.

Our final game was a bit of a grudge match vs. de Stafford. Their GA was incredible and led their attack for a swift two goal lead. We built momentum and came back brilliantly but ran out of time. 3-2 loss. Reigate A team finished 2<sup>nd</sup> overall!

Player of the Tournament - Iris.

## CAREERS

There is a comprehensive careers section on the Reigate School website. Go to [www.reigate-school.surrey.sch.uk/school/careers](http://www.reigate-school.surrey.sch.uk/school/careers).

In the CEIAG - Careers, Education, Information, Advice and Guidance section you will find our termly career plan which details what CEIAG each year group receives throughout the academic year. Our careers policy can be found in the same section.

The careers section also includes information on the labour market, apprenticeships and apprenticeship vacancies. The section for parents and carers contains guides to post 16 options, the new T level qualifications and apprenticeships.

In the "Options at post 16" section, there are links to the local colleges where you can register for their open events.

## SAFEGUARDING AT REIGATE SCHOOL

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all children. Reigate School makes every effort to provide a Ready, Respectful and Safe environment in which children feel secure, valued and respected. If a child has any worries or needs some support at any time, we encourage them to speak to their pastoral team or any member of the safeguarding team in the first instance.

Please visit the school website <https://www.reigate-school.surrey.sch.uk/> to access our safeguarding pages for guidance, support and signposting information. We have a comprehensive outline of our Reigate School Early Help offer, which is designed to help families access key services when support is first needed.

If you have any concerns, questions or would like advice surrounding any aspect of safeguarding please contact the school and ask to speak to a member of the safeguarding team or email [dsl@reigate-school.surrey.sch.uk](mailto:dsl@reigate-school.surrey.sch.uk)

## SAFEGUARDING – ONLINE SAFETY

The internet is a wonderful resource, however ensuring children know how to use the internet safely is vitally important. Please visit the school website E-Safety page using the link below to access important signposting information designed to inform parents and carers about online safety and how to best support your child at home.

The following resource from Childnet has been created to help a parent/ carer and child to have a conversation together about life online. <https://www.childnet.com/wp-content/uploads/2022/05/My-Life-Online.pdf>

In support of Anti-Bullying week please find below some information regarding Cyberbullying.

Cyberbullying is when a person or a group of people uses the internet, mobile phones, online games or any other kind of digital technology to threaten, tease, upset or humiliate someone else (definition from Childline: Cyberbullying is just as harmful as bullying in the real world and may, in some cases, result in prosecution by the Police. Those who take part in online bullying often use a group of friends to target their victims by asking them to add a comment to a photo on a blog, or asking them to forward it onto another group of friends.)

### **Types of Cyberbullying**

There are lots of different types of cyberbullying. These are the main ones:

#### **Email:**

- Sending emails that can be threatening or upsetting to a single target, or to a group of people to encourage them to become part of the bullying.
- These messages or 'hate mails' can include examples of racism, sexism and other types of prejudice.

#### **Instant messenger and chatrooms:**

- Sending instant messenger and chatroom messages to friends or direct to a victim.
- Others can be invited into the bullying conversation, who then become part of it by laughing.

#### **Social networking sites:**

- Setting up profiles on social networking sites to make fun of someone.
- By visiting these pages or contributing to them, people can become part of the problem.

#### **Mobile phone:**

- Sending humiliating and abusive text or video messages, as well as photo messages and phone calls over a mobile phone.

#### **Abusing personal information:**

- Many victims of cyberbullying have complained that they have seen personal photos, emails or blog postings posted where others could see them without their permission.
- Social networking sites make it a lot easier for web users to get hold of personal information and photos of people.
- They can also get hold of someone else's messaging accounts and chat to people pretending to be the victim.

### **The effects of cyberbullying:**

Even though cyberbullying cannot physically hurt children, it can still leave them feeling mentally vulnerable and very upset. Children can also feel scared, lonely and stressed and that there's no way out.

### **How to deal with cyberbullying:**

If a child or someone a child knows is being cyber bullied, they must report it to the school and their parents/carers who can inform the Police. It is important to put a stop to it before it gets any worse.

- Contacting the mobile operator or the instant messenger or social network service provider to report what has happened can also be a useful step.
- As a safety measure to protect children from online risks it is recommended that they should only answer calls from the numbers they know.
- Parents and carers can also contact the NSPCC helpline at any time on 0808 800 5000 if there is a worry about cyberbullying and immediate support is required.
- Further guidance can be accessed via the UK Safer Internet Centre [Online Bullying - UK Safer Internet Centre](#)
