### MESSAGE FROM THE HEADTEACHER

Last night was the Year 11 Effective Revision Evening. Thank you to all the parents' and carers' who attended. This week has been a busy week with various trips. Year 7 visited Canterbury, GCSE Drama went to the theatre to see a performance of '12 Angry Men' and this evening the Girls' Football Team is watching a Chelsea Women's Team football match at Stamford Bridge.

On Monday we are holding our Talent Show. I am looking forward to seeing all the performances and the various talents of the children. A report of the event will be in next week's newsletter.

Mr Alexander

## SPOTLIGHT (CONT.)

### YEAR 10

Well done to the Year 10 football team for their cup win against St Bede's School this week. Henry Jacques for his hard work in languages. Mia Gane for her excellent English assessment. Summer Cusden for her excellent work on her Food and Nutrition assessment. Darcie-Mai Harrison for her excellent understanding of topics in Life Skills. Alman Bashir for showing curiosity in Spanish, Bobby Wheeler for his efforts in Art recently. Kaylah Munns for friendship. Good luck to all the Year 10's who are presenting in assemblies next week as part of their applications for Head Student positions.

### YEAR 11

Ninar Razouk for her incredible effort and motivation in the English mocks and her written work in class. Nat Ayres for always being the perfect student in all his lessons and for doing well in his mock exams.

## NATIONAL CAREERS WEEK 2024

Last week was National Careers Week and we had lots going on;

Each year group had an assembly from an employer/employee who spoke to the children about their "career story"

- Year 7 Nick Cann from Bentley Copse
- Year 8 Amanda Wiltshire from Priory Vets
- Year 9 Amanda Wiltshire from Priory Vets
- Year 10 Russell Carless from Sky
- Year 11 Stephen Anderson from air traffic control Gatwick Airport

These visitors spoke about what they did after leaving education, how they got to where they are now, what route they took and most importantly, what their job entails and how much they enjoy what they do. Our children were able to speak to the visitors after the assembly if they had any questions.

In tutor time all week there were careers related activities taking place designed to give our children advice and guidance of where they can find information regarding pathways, options and careers. During my Wednesday lunchtime careers drop-in, I had several children coming to see me to ask questions which was lovely. I hope to start seeing more and more as the weeks go by.

The job of the week last week was Firefighter and a short film about this career was shown on all the TV screens around school. This week it has been changed to Graphic Designer.

Just a reminder that there is a very useful careers page on the school website which contains much information for our children and their parents/carers. Please take a look ....

## ARTIST OF THE WEEK

### **KATHERINE SHERRIFF**

Katherine Sherriff has gone above and beyond developing her assessment work in her own time, what a fantastic effort and highly successful piece of work. Well done Katherine.

## YOUNG ENTERPRISE TEAM

The Young Enterprise Team, Esme, Cerys, Joseph and Benjamin, have been busy raising funds for St Catherine's Hospice. Last week they made Mother's Day gifts that the children bought on the Friday morning. It was a huge success with all of the gifts selling out by the end of break time! They plan to put together Easter packs (and increase the amount on sale) which the children will be able to buy in the last week of term. Alongside this, they have been working with the House team on the upcoming Talent Show (Monday 18<sup>th</sup> March) and are also helping to run the Year 7 Easter Disco. If you would like to support the team and donate to St Catherine's Hospice, please scan the QR code on the poster below to go to our Just Giving page. It is safe to say the team are well on their way to reaching, and surpassing, their target of £2000!

## ACHIEVEMENT POINT BREAKFAST

A huge well done to 10HCL who got the most achievement points this week in Year 10. As a result, they were treated to a breakfast presented by a sparkly Mr Hamilton!

## CANTERBURY TRIP

Year 7 went to Canterbury this week to support their studies on Medieval England and the life of Thomas Becket. We went to Canterbury Cathedral where we had a very detailed guided tour and saw the spot where Thomas Becket was murdered, the pilgrims steps and the Crypt. Next we went to The Beane Museum where we took part in medieval object handling and medieval map workshop. Well done to Year 7 for their excellent behaviour and respect whilst on the trips.

## YEAR 9 FOOTBALL

The Year 9 boys travelled to Carrington School for a league match. Reigate was slow to get started and were 1-0 down within 5 minutes. Carrington dominated the first half and added a second on the stroke of half time, Arlo saving the penalty, but Carrington scoring the rebound.

Reigate came out flying in the second half and quickly forced an own goal. Game on. Reigate dominated the ball throughout the second half but struggled to create clear cut chances. Mr Collins changed the formation to 3-3-4 for the last five minutes, which allowed Carrington to add two more goals. Special mentions go to Mason for his continued hard work in defence, Lewis for his constant mopping up and Bailey for his new role in centre defensive midfield.

Final Score: Carrington 4-1 Reigate

Goal Scorers: Own goal x1

Player of the Match: Lewis

Mr Collins

## GCSE ROCK CLIMBING

Well done to our Year 10s taking GCSE PE and Sport Studies who took part in the rock-climbing moderation at High Ashurst on Monday and Thursday. The children quickly progressed their knowledge and skills over the two days and were a credit to themselves and the school. The children showcased our Reigate values and did themselves proud! Well done to all involved.

## YEAR 7 FOOTBALL

The Year 7 Reigate School football team travelled to Oxted School on Monday the 11<sup>th</sup> of March to play the quarter-final of the district cup.

On a wet and muddy pitch, the football to be played was not going to be the most clinical. However, Reigate made a great start and within six minutes, Edward scored a fabulous goal to put Reigate 1-0 up.

Further chances came with a pretty dominant team display where Edward had another chance on 10 minutes just putting the ball over the Oxted crossbar. The goal scorer Edward, on 12 minutes, put in a fantastic cross to Hunter who just unfortunately put the ball wide.

Oxted were not without their chances and on 15 minutes, with their striker through who made a really solid shot on target, but with Ayman in goal made an equally strong save and parried the ball out for a corner kick. Half-time one nil to Reigate.

During the second half it was imperative that Reigate got the first goal in order to try and put the contest to bed, and we were not let down. Reigate made a great start displaying outstanding, teamwork, movement, positioning, and overall control to get the second goal after about 13 minutes into the second half. It was Zach's finish that got the goal but what led to it was some outstanding total football throughout the team from one end to the other. An incredible team goal that was created by half the team from start to finish.

## CAREERS

There is a comprehensive careers section on the Reigate School website.

[Careers | Reigate School \(reigate-school.surrey.sch.uk\)](http://reigate-school.surrey.sch.uk)

In the CEIAG - Careers, Education, Information, Advice and Guidance section you will find our termly career plan which details what CEIAG each year group receives throughout the academic year. Our careers policy and provider access policy can be found in the same section.

The careers section also includes information on the labour market, apprenticeships and apprenticeship vacancies. The section for parents and carers contains guides to post 16 options, the new T level qualifications and apprenticeships.

In the “Options at post 16” section, there are links to the local colleges where you can register for their open events.

[FURTHER EDUCATION COLLEGES OPEN EVENTS 23-24.pdf \(reigate-school.surrey.sch.uk\)](#)

The website contains much information, which I hope you and your children will find useful.

Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips. Our library has many resources within the Careers section which the children are welcome to use.

## SAFEGUARDING AT REIGATE SCHOOL

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all children. Reigate School makes every effort to provide a Ready, Respectful and Safe environment in which children feel secure, valued and respected. If a child has any worries or needs some support at any time, we encourage them to speak to their pastoral team or any member of the safeguarding team in the first instance.

Please visit the school website <https://www.reigate-school.surrey.sch.uk/> to access our safeguarding pages for guidance, support and signposting information. We have a comprehensive outline of our Reigate School Early Help offer, which is designed to help families access key services when support is first needed.

If you have any concerns, questions or would like advice surrounding any aspect of safeguarding please contact the school and ask to speak to a member of the safeguarding team or email [dsl@reigate-school.surrey.sch.uk](mailto:dsl@reigate-school.surrey.sch.uk)

## SAFEGUARDING – ONLINE SAFETY

The internet is a wonderful resource, however ensuring children know how to use the internet safely is vitally important. Please visit the school website E-Safety page using the link below to access important signposting information designed to inform parents and carers about online safety and how to best support your child at home.

## ONLINE SAFETY

The online world that children of all ages are exposed to has come under more scrutiny by Ofcom surrounding the violent content seen in video games, chat groups, graphics and social media as a whole. It has been stated that the Online Safety Bill needs more robust measures to protect children but Ofcom state that the content seen through the mediums described is “unavoidable” in the world we live in today.

In light of these findings, this week's Online Safety Tips focus on Cyberbullying and there is helpful Parent's Guide to Cyberbullying below.

### What is cyberbullying?

Cyberbullying is bullying that takes place online. Unlike bullying offline, online bullying can follow the child wherever they go, via social networks, gaming and mobile phone. A person can be bullied online and offline at the same time.

### Types of Cyberbullying:

Cyberbullying can include:

- sending threatening or abusive text messages
- creating and sharing embarrassing images or videos
- trolling – the sending of menacing or upsetting messages on social networks, chat rooms or online games
- excluding children from online games, activities or friendship groups
- shaming someone online
- setting up hate sites or groups about a particular child
- encouraging young people to self-harm
- voting for or against someone in an abusive poll
- creating fake accounts, hijacking or stealing online identities to embarrass a young person or cause trouble using their name
- sending explicit messages, also known as sexting
- pressuring children into sending sexual images or engaging in sexual conversations.

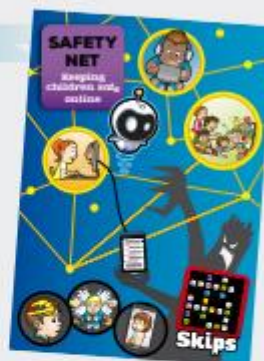

### Support for Parents and Carers

- [ThinkUKnow](#) -A website from National Crime Agency's CEOP Command about keeping children and young people safe on the internet.
- [UK Safer Internet Centre](#) -Promoting the safe and responsible use of technology for young people.
- [Internet Matters](#) -A site to help empower parents and carers to keep children safe in a digital world.

Please visit the school website Safeguarding Online Safety page for more information.

## A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

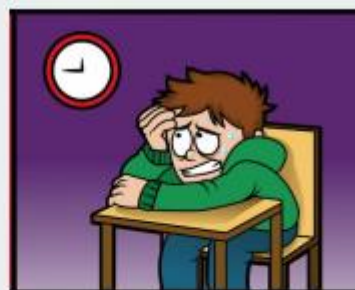

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.
