## YEAR 8 FOOTBALL

On Wednesday 15<sup>th</sup> January, the Year 8 football team had a home fixture against St Bede's School. It was a very close match between two fantastic teams but unfortunately it didn't start the way we wanted it to and we found ourselves 1-0 down early on. We came back stronger after we conceded the goal and had many chances to equalise but unfortunately we didn't score. As the game was coming to a close St Bede's scored a second making it 2-0 and that is how it ended. The Year 8's played very well and were unfortunate not to score.

The team: Jude Sadler, George Mooney, Bobby Munro, James Brewis, Harry Roberts, Momen Bala, Bailey Woods, Callum Humphry, Zac Cusden, Matty Stevens, Charlie Pettipher and Joel Bayode

## SURREY SCHOOLS SWIMMING GALA

The Surrey Schools Swimming Gala was held at the Guildford Spectrum on Saturday 18<sup>th</sup> January 2020. Reigate School had the biggest overall turnout of swimmers than ever before. The girls started us off with a squad of eight – double that of last year's team. Robyn, Amelia, Gwendolyn and Ella were swimming for the first time but held their nerves to put in some great performances. Our experienced swimmers of Eleanor, Katie, Lauren and Emily, all performed well showing their confidence and tactical awareness. For Emily and Lauren, this was their last chance to compete in this event for Reigate School. Although Emily had a good swim, Lauren was neck and neck up until the last 10m when she pulled ahead to claim silver. Well done Lauren!

The boys then joined us for the evening session with an aim to beat the ladies medal haul. Again, we had Dominic and Alister joining us for the first time as Year 7's. They competed well within their races especially as there was some waiting around whilst technical difficulties were sorted out. However, it was clear from the stature of the other competitors that they were up against many Year 8's in the Juniors. Next year we will have the advantage! Our experienced Inter and Senior teams performed brilliantly with Adam, Oliver and Jay. Keen to outperform the girls, we needed two out of the three finishing in the top three and they didn't disappoint! Adam swam home to claim bronze whilst Oliver clung to the tail of his arch rival to get a well-deserved silver. Jay was up against it

from the start in a fiercely contested heat. Coupled with the fact that he was also against sixth form he was unable to get the better of them to claim a medal. Hard luck Jay.

So, a sad farewell gala for Emily, Lauren and Jay. We hope that we get to see them next year with College. Well done to all swimmers. It is always a very high standard and I think you will all agree that it was a fantastic experience for us all. Lots to look forward to for next year. A record for Reigate School – three medals in total. I feel extremely proud of you all.

Mrs Jones

## YEAR 11 GCSE EXAM NOTICE

Please be aware that the Joint Council for Qualifications (JCQ) requires all Year 11 children to be available until the 25<sup>th</sup> June 2020. This is because an awarding body (exam board) may need to invoke its contingency plan which would require children to go into their school up until the 25<sup>th</sup> June 2020. In light of this, please do not book holidays that begin before the 25<sup>th</sup> June 2020 or other events that would mean your child would be unable to come into school.

## SAFEGUARDING

Thinkuknow is an education programme from the National Crime Agency's CEOP Command. Since 2006, Thinkuknow has been keeping children and young people safe by providing education about sexual abuse and sexual exploitation. Thinkuknow is unique. It is underpinned by the latest intelligence about child sex offending from CEOP Command. Thinkuknow aims to ensure that everyone has access to this practical information – children, young people, their parents and carers and the professionals who work with them. Alongside the Thinkuknow website the programme provides educational resources, including films, cartoons and lesson plans, to help parent/carers and professionals raise young people's awareness. <https://www.thinkuknow.co.uk>

### CAREERS GUIDANCE

We have a careers section on the school website which contains useful information regarding college open events, up and coming careers events at Reigate School, details regarding apprenticeships and how to search and apply for them along with links to useful websites. There is also a link to a quiz which is fun to take and will give children an idea of what kind of careers will suit their personalities. Go to Academic-Careers or Academic-Option at post 16 for details of local college open events. Below are some other very useful websites which have plenty of information regarding further education, apprenticeships and careers choices plus interview techniques and many other tips.
