

REIGATE SCHOOL LETTINGS POLICY

Key Points and Summary

Reigate School aims to ensure the use of the school's facilities to the fullest potential. It is intended that the premises and sports facilities are available firstly, for the benefit of the children attending the school and secondly, for local people consequently providing the school with financial income and providing a community resource for children and adults to enjoy.

This policy aims:

- To ensure that lettings are not in conflict with the purpose of the school;
- To support community involvement in the life of the school;
- To support the community in sporting, cultural and educational pursuits;
- To be consistent with the school's equal opportunities policy;
- To maximize the commercial opportunity for lettings;
- To ensure costs are fully calculated and covered;
- To provide a professional service to users of the school's premises and ensure good customer care

The emphasis is to ensure staff are aware of their responsibilities and hirers' compliance with health and safety and insurance requirements.

Lettings Approval

Infrequent lettings may be approved by the School Business Manager. Where a letting is considered to be regular (more than six times per year), Trust approval will be required.

Insurance Requirements:

- Risk Protection Arrangement (RPA) includes an extension for Hirers' Liability (page 50 of the RPA Membership Rules). However, large groups or organisations hiring the premises need to supply evidence of third party public liability insurance. For smaller groups or individuals, the RPA will provide an indemnity to any person or organisation that has hired rooms from the school where that person or organisation does not have public liability insurance.
- Hirers not covered by RPA must indemnify the school in the minimum sum of £5million against all public liabilities and evidence of cover must be provided before the letting takes place.
- New long term bookings are required to give two referees. References will be recorded on a Lettings Checklist as per **Appendix 1**. The school must be satisfied with the character of any person in charge.
- If working with children, DBS checks are required and DBS numbers are to be given upon application (further detail under Safeguarding).

Charges

- Charges are to be reviewed annually in consultation with the Finance and Operations Director of the Trust.
- Community groups using the school facilities are comparable with Surrey County Council rates, but can be amended under review.
- Current charges are as per **Appendix 2**.
- For organisations requiring several rooms for periods exceeding three hours or use over a holiday period, a discount may be applied to the overall booking.

Bookings

- Bookings for the facilities arise by direct contact with the school. Whilst every effort is made to accommodate all requests, the school and current hirers are given priority. Other considerations include the type of event, premises staff availability, the number of other lettings at the time and the suitability of the activity.
- Where hirers appear to have similar focus groups, wherever possible, the initial hirer will be informed.
- Hirers are to complete a Booking Application Form to confirm the booking and agree to the terms and conditions attached as per **Appendix 3**.

Payment

- Invoices are issued monthly in arrears. Payment is expected to be received within 30 days
- Late payment is subject to charge and potential cancellation of future bookings.

Health & Safety

- No smoking (including e-cigarettes) is allowed on site.
- Hirers must take all reasonable steps to prevent injury, loss or damage to any person or property for the duration of the letting. Hirers are responsible for arranging any first aid provision for the members of their organisation.
- Hirers will be issued with a site map (**Appendix 4**) and are required to establish their own risk assessments for evacuation in accordance with their staffing levels and building location.
- In the case of an emergency or accident, the school must be informed and an Accident Report Form completed. Please see **Appendix 5** for contact information.
- Each letting should appoint a responsible person to be in charge in the event of any emergency, this responsible adult must ensure all members are registered and checked to be safe at their designated assembly point.
- The hirer must arrange for an adequate number of responsible stewards to be present throughout the period of hire to assist in the preservation of order.
- Where permission has been granted to enable the premises to be used for the purposes of a youth organisation, no member of that organisation may enter the school unless the hirer (or representative) is present.

- Permission to use the premises will not be granted if, in the opinion of the school, it is likely that the letting would create unreasonable disturbance or inconvenience to the residents in the neighbourhood or would interfere with any existing occupations or school activity. Hirers are requested to respect the neighbours' rights.
- Furniture should not be moved into the corridors and should not block any Fire Exits. Any furniture which is rearranged must be returned to its original position at the end of the hire.
- A defibrillator is located externally by the main entrance for hirer's use. The cabinet code is C159X. Please call 999 should use be required and inform the school.
- The school requires any electrical items used to have a PAT certificate.
- The school reserves the right to cancel any letting where the hirer fails to comply with health and safety issues.

Safeguarding

- All hirers who provide activities for children and young people are required to complete the Application for Hiring Premises form and submit DBS number(s).
- All hirers are to submit their safeguarding policy, if this is not available the hirer is required to read and follow guidelines of our Safeguarding Policy (**Appendix 6**).
- Hirers' DBS numbers will be held on the School's Single Central List.

Complaints Procedure

- In the event of a hirer being dissatisfied with the facilities or service, the hirer should contact the Trust Estates and Contracts Manager who will consult with the School Business Manager.

Premises Staff Responsibilities

- Unlocking the premises at the agreed time as stated on the Application for Hire Form.
- Ensuring the premises are in a safe and satisfactory condition for the hirer.
