

# Reigate School Values

- Our school values are an important part of school life. If you develop these characteristics, you will become more self confident and your chances of success will increase.
- The values are Kindness, Resilience, Friendship, Curiosity & Respect. We will look at how we can grow these values, and why they are important to your development in assemblies, tutor time and throughout school life.
- You will see posters around school to remind you of the 5 important values that we want all of you to develop throughout your time in school.

**KINDNESS** **RESILIENCE**  
**FRIENDSHIP**  
**CURIOSITY** **RESPECT**
