

Admission Offers History

If a family lives closer to St Bede's School and/or Royal Alexandra & Albert School:

St Bede's School (Church) and Royal Alexandra & Albert School (part fee paying) are both voluntary aided schools therefore on Nearest School category both schools are discounted.

Note: the figures below in black are for Reigate School as of 1 March each year.

Where there were more applications than the Published Admission Number Surrey County Council has included the distance to which the last applicant was accepted. This has been included below the criterion in which the last applicant was offered a school place. This data is relevant to the allocation date in March of each year.
